## A STRUGGLE WITH DIRT

Goes on in civilized society from the eradie to the grave. Dirt is degradation-and degradation is destruction. Women, especially, are judged by their habits of household cleanliness, and no stronger condemnation can be expressed than "she keeps a dirty house and a filthy kitchen." But the struggle with dirt is often unequal. The woman's weakness or the worthlessness of the soaps she uses make it impossible to overcome the demon of dirt. By the use of SAPOLIO she wins easily.
