Creates many a new business. Enlarges many an old business Revives many a dull business, Rescues many a lost business. Saves many a failing business. Preserves many a large business, Secures success in any business.

So says a man of business, and we add that judicious advertising, for this section of country.

THE JOURNAL

As one of the mediums, because it is read by the best people, those who know what they want and pay for what they get. We challenge comparison with any country paper in the world in this respect twenty years publishing by the same management, and never one dun to subscribers published in THE JOURNAL. This, better than mything else, shows the class of people who read THE JOURNAL every week.

CHEAP. ONLY \$15.

Woven wire and slate, cut willows, split boards or anything of the sort, used; after posts are set, fence can be made and stretched on the ground, in the winter, by a boy or ordinary farm hand, 10 to 40 rods a day, and can work it over any ground. The man who has one of these may chines can build a fence that is more durable and safe than any other, and make it at less cost. The machine and a sample of its more cost. The machine and a sample of its work can be seen in the city on 11th street at Ernst & Schwars hardware store. Willsell mchines, or territory. at contract to put up fences.
