SUMMARIZED HAPPENINGS

A Brief Compendium of the Busy World's Events.

MAY MISS THE CROWN.

RIISING TIDE OF OPPOSITION TO ENGLISH MONARCHY.

The Connection of the Prince of Wales with the Baccarat scandal has brought the English Crown into discredit.

A storm is rising around the Prince of Wales fast and gaining intensity, endangering his chances of succession to the throne.

WEEKLY CROP BULLETIN

The Government Report on the Matter All Over the Country.

The weekly weather crop bulletin says copious rains in the wheat regions of the north-west have greatly benefited the crops during the past week.

FOREIGN JOTTINGS

The announcement that the American minister to Italy, ex-Gov. Porter, has been given an indefinite leave of absence is interpreted at Washington to be in retaliation for the leave given Baron Fava, minister at Washington.

IN THE WEST

An expedition organized by the Chicago Herald sailed for the Bahamas islands on the Ward Line steamer Santiago from New York.

Ohio Prohibitionists

The third party prohibitionists have put out a full state ticket in Ohio, the first to take the field.

Illinois Legislature Adjourns

The Illinois legislature has adjourned after one of the most exciting sessions in its history.

Never Reached There

At Birmingham, Ala., a negro named Hill Matthews entered the room of two young ladies and attempted an assault.

Found Buried Treasures

Great excitement prevails among the people of Kershaw, South Carolina, over the finding of \$103,000 in gold and other valuable treasure.

London Bunch at Work

The men employed in all the London omnibus yards resolved to accept the employers' offer of twelve hours a day and a slight increase in wages.

Massacred and Executed

The natives of Matouba have massacred, roasted and devoured a French expedition from Loango under M. Crampel.

Standing of the Barings

The balance sheet of the liquidators of the Barings Bank, show liabilities of \$35,000,000, assets of \$43,000,000.

IN THE EAST

The total gross exchanges of the last week for the principal cities of the United States and Canada were \$1,145,903,693, a decrease of 23.3 per cent.

The Application of Mr. O'Neil

The application of Mr. O'Neil to enjoin Eugene Kelly, the treasurer of the fund raised at the Dillon and O'Brien meeting in New York from sending the money to Justice McCarthy was denied by Judge Bartlett in the Kings county supreme court.

COL. BESSEY OF THE PENSION OFFICE

has issued a ruling that a soldier on a furlough may still be in the line of duty. In the case at issue he holds that a soldier who left the command on a furlough to visit the death bed of his father was in the line of duty for pensionable purposes.

A CAR FAMINE OF UNUSUAL PROPORTIONS

is expected when the big grain crop begins to move. Agents of railroads centering in New York say they do not see how it can be avoided.

THE INTERNATIONAL TYPOGRAPHICAL UNION AT BOSTON

decided against the admission of non-union testimony in charges against local unions, and also opposed a proposition for an exhibit at the world's fair.

THE ARGUMENTS IN THE FAMOUS CONTEST

over the will of Samuel J. Tilden have been argued at great length before the New York court of appeals.

COMMISSIONER RAYM. OF THE PENSION BUREAU

is making arrangements to still further increase the issue of pension certificates and hopes to be able to reach a daily issue of from 1,800 to 1,900, which would be an increase of about 400.

JUDGES PHILLIPS, OF THE UNITED STATES CIRCUIT COURT AT KANSAS CITY

has decided in a suit on an accident insurance policy that stroke is not an accident, but a disease of the brain, arising from natural and known causes.

THE REPRESENTATIVES OF KENTUCKY MANUFACTURERS

which operate 3,200 looms, have determined to run only two-thirds time for the next five weeks. This will reduce the output 50,000 pieces.

THE DOMINION BEREFT.

PASSING AWAY OF SIR JOHN MACDONALD.

At the Zenith of His Fame When the Dominion of Canada Was Born.

It is very long since any other man has had a place so peculiar in the affairs of any country as Sir John A. Macdonald has won for himself in the affairs of the Dominion of Canada.

WANT LESSENING IN NEBRASKA.

Number of Persons Receiving Aid From the Relief Commission Being Reduced.

The number of persons who have been receiving aid from the state relief commission is being gradually reduced until now there is only one-half as many as there were during the winter.

NEBRASKA CROP BULLETIN.

The weekly weather and crop bulletin for Nebraska, issued by the Boswell observatory of Doane college, says the week past has been favorable for the growth of small grain which now carries an unusually large yield.
