victs.

### California's Earthquake.

The effects of the earthquake which visited some portions of north California appear to be greatest in Napa and Sonoma valleys, where the shock was the heaviest since 1868. At Napa and Sonoma the walls cracked and chimneys were displaced, in some instances falling through the roofs. Many people passed the night in the streets.

> A Locomotive Exploded. By the explosion of a locopotive boller in the Kansas City railway shops near St.

Paul eleven men were injured, two probably fatally. The engine bad just been taken from the repair shops, and a gang of machinists were getting it ready for use when the explosion occurred, throwing them in every direction.
