Reaching the Masses.

To the clergy and those engaged in church work, the question is ever upper most for discussion, "How can we reach

All men of intelligence recognize the power of moral principle and that somehow the supreme motive of goodness the mainspring of action everywhere.

An insight into this fact will clear away a great deal of the misconception abroad in the world. Intelligence will ing daily. dispel ignorance; virtue will resume its gentle sway, taking the reins from vice which is always inconstant, fickle and unsatisfying. The following, from the N. Y. Press and addressed to the clergy of the city just back from their sun tours abroad. has a more or less genera

application, from which both clergy and laity and the outside heathen likewise can, by heeding, be benefited: "In the first place, bear in mind th you have had a vacation and that the

been enjoying rest and recreation for a period of from one month to thirteen weeks, while the people of whom you are speaking consider themselves exceedingly fortunate if they get a respite from sweat and toil for a bare fortnight. Hundreds of thousands in every large city never had such an experience as a two weeks' vacation in their lives. Remem ber this, please, good folk. The more you think about it the more, we venture to say, your understanding of the problem will take a new shape. Think about it when you lament the awful amount of Sabbath breaking that prevails, when you mourn the paucity of church atten-

dance, when you deplore the devil's work wrought by saloons. In the second place, it might be a goo dea to study the New Testament and find out how Jesus of Nazareth reached the 'masses.' He did it. There is no doubt about that. The common people heard him gladly. It was reckone among the proofs of his Messiahship that the poor heard the Gospel. great was the rush of the 'masses' hear him that when he got into a boat and went across Lake Genessaret to get

all the way round to the other side o the lake that they might hear his words again. The chapters that record his ongest sermon begin with the significant phrase, 'And seeing the multitudes. In the third place, if all other attempts to get at the secret of Christ's success with the 'masses' fail, it may be well to try whether this key will not unlock the mystery. It was his personal touched them. He ate with them.

walked and talked with them in the church ever built in America, situated on John street in New York city.

If that little coast bound kingdom down in South America don't quit monkeying with the gun, she may dismonkeying with the gun, she may disconnected by the gun highway and the market place. He had cover, alas too late, that Americans do confine his ministrations to the temple not relish "Chili sauce."—[Marks and at Jerusalem and send his assistants as city missionaries to labor in the unfashionable quarters. What is

CASTORIA

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Caster Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhosa and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea-the Mother's Friend.

Castoria.

"Castoria is an excellent medicine for chilben. Mothers have repeatedly told me of its Da. G. C. Ossess, Lowell, Mass.

"Costoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will counider the real interest of their children, and use Castoria instead of the various quack nestrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other heriful scents down their throats, thereby sending them to premature graves."

"Castoria is so well adapted to children that recommend it as superior to any prescription

Castoria.

H. A. Ancusta, M. D., 111 So. Oxford St., Brooklyn, N. Y. are spoken highly of their experi and although we only have among our

medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with
