## A Wonder Worker.

Mr. Frank Huffman, a young man of Burlington, O., states that he had been under the care of two prominent physicians, and used their treatment until he was not able to get around. They pronounced his case to be consumption and incurable. He was persuaded to try Dr. King's New Discovery for consumption, coughs and colds and at that time was not able to walk across the street without resting. He found before he had used half of a bottle, that he was much better: he continued to use it and is today

WALL PILL, SMALL DOSE, SMALL P

The "No. 9" was endorsed for first place by the experts of Europe at the Paris Exposition of 1809, where, after a severe contest with the leading ma-chines of the world, it was awarded the only chines of the world, it was awarded the only Grand Prize given to family sewing machines, all others on exhibit having received lower awards of gold medals, etc. The French Government also recognized its superiority by the decoration of Mr. Nathanici Wheeler, President of the company, with the Cross of the Legion of Honor.

The "No. 9" is not an old machine imp upon, but is an entirely new machine, and the Grand Prize at Paris was awarded it as the grandest advance in sewing machine mechanism of the age. Those who buy it can rest assured, there ore, of having the very latest and best.
