herefore it cannot be cur-d by local applications. past four years at intervals. I was troubled with It requires a constitutional remedy like Hood's catarrh, and the medicine effected a perfect cure. I S.r.aparilla, which, working through the blood, take it now wheney r I feel debilitated, and it always offects a permanent cure of catarrh ty eradicating gives m+ immediate strength, regulates the bowels, the impurity which causes and promotes the dis-case. Thou-ands of people testify to the success of Parker burr, W. Va.

licod's Sarsaparilla as a remedy for catarrh when "My daughter has had catarrh for nine years. She other preparations had failed. Hood's Sarsaparilla coughed and expectorated so much that every one also builds up the whole system, and makes you thought she had consumption. I tried everything I feel renewed in health and strength. All who suffer heard of, but gained no relief. I sent her to Florida from estarth or debility should certainly try Hood's in September for the winter, and there her friends advised her to u-e Hood". Sarsaparilla. She wrote Sar-aparilla. "I have u ed Hood's Sarsaparilla for catarrh with me that she had taken three bottles, and never feit satisfactory results, receiving permanent benefit so good in her life." Mns. MCKNIGHT, 137 William-
