What is CASTORIA Castoria is Dr. Samuel Pitcher's prescription for Infants

and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhosa and Wind Colic. Castoria relieves teching troubles, cures constitution and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea-the Mother's Friend.

Castoria.

Lowell, Mass.

Dr. 6. C. Ougoop.

Da. J. F. KINCHILON,

Conway, Ark.

"Castoria is the best remedy for children of

which I am acquainted. I hope the day is not far distant when mothers will consider the real

storest of their children; and use Castoria in-

send of the various quack nostrums which are

lestroying their loved ones, by forcing opium,

morphine, soothing syrup and other hurtful agents down their throats, thereby sending

them to premature graves."

"Cantoria is an excellent medicine for chil-"Castoria is so well adapted to children that dren. Nothers have repeatedly told me of its good effect upon their children." recommend it as superior to any prescription known to me." H. A. ABCHRE, M. D.,

111 So. Oxford St., Brooklyn, N. Y.

Castoria.

"Our physicians in the children's depart ment have spoken highly of their experience in their outside practice with Castoria. and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the nerits of Castoria has won us to look with favor upon it."

C. W. LAMONT, of O'Neill, was in th city today for the purpose of perfecting arrangements for the establishment of a cultivator factory in Norfolk by himsel and associates. The cultivator is the invention of a Mr. Shannon of Niobrara. and was tried practically and success fully last season, all farmers who have seen it pronouncing it the best cultiva-tor made. It is composed of three sections, carrying fifteen shovels, and with -[Norfolk News.

CAPT. ELI L. HUGGINS, who was sent to the Indian Territory to investigate the reported threatened outbreak of the Indians, returned to Chicago, Thursday. Speaking of the situation, he said: "The Arapahoe, Cheyenne and Osage Indians still cling to the belief that the Memiah will some day appear to save quiet behief, which has almost become a religion with them, that the whites are to be destroyed and the Monsiah will

himself in the morning, but was preof bills from that committee is concernvented by his son. Despondency seems ed, shall consist of a number of separate to have been the cause.

FRIEND TURNER:-Thanks for THE bill.

JOURNAL. The receipt of the last issue It is out of democratic mouths that just now, reminds me I've sent nothing most of the charges of extravagance C. B. Stillman's drug store. Large size it a man can cultivate two rows of corn for it for a long time. I had a letter made against the Fifty-first congress well under way some weeks ago, but have been refuted. A striking instance have not been writing much of late and was given upon the floor of the house it did not get finished. It is about a when some of the "peanut" wing of the matter I much wish to get the ears of democratic party made a casual refer-

my old farmer friends, and think I must ence to the extravagance of the appropristions made by the postoffice comcomplete and forward it.

I find I'm not easily weaned from our mittee of the last house. Representaold Columbus home. I often find my. tive Blount, of Georgia, who is chairman self wishing I might be there and take of the present postoffice committee, and part in the great development, progress has been a member of the same com-

them, and they are not at all disappoint-ed in the failure of the Messiah to come among them last year. They did not pretend to know the date of his coming. The former frenzy among them and their atcited dances have given way to a spot to run into than this. As we go mittee had been made absolutely neces- at any time. If you are not a subscrib-• come. There is no excitement among the whites who live on the land border-ing on the reservation and no excitement is at all apparent because no outbreak is feared." out into the pure, dry air these beauti-the days are simply perfect. A little fire in early morning and evenings is woods, of Indiana, to the burch of the training the increasing business and prosperity of the country. The only result of the vicious attack made upon the nomination of Judge

50c. and \$1.00.
