-We have repeatedly called the attention of our readers to the swindling operations that are being practiced upon our farmers. We happened into Justice Hudson's office a few days since during a suit for the payment of a promissory note. The evidence went to show that a gang of lightning rod men called at the house of Gerhard Groteleuschen and insisted upon putting some rods upon his barn against his protest. One of the gang told him they would put a rod on his barn for \$1.50 as an advertisement of their work to his neighbors, and, despite his protest, and asking who sent them and their names, they told him i was none of his business, and in fifteen minutes they had planted three rods upon his barn, and following him in to his house, they closed the door and de manded his signature to a note for ninety dollars, with threatening language and demonstration, they induced him to sign the note, payable in thirty days. The note was sent for collection by a -The entertainment Friday evening, broker from Ottawa in Kansas. The Justice dismissed the case, the note
