HARRISON'S ADMINISTRATION.

The Common Sense of the Common People is

The country does not seem disposed to enter very hotly into the campaign, and it would be well if the commonsense of the common people should be exercised without reference to the desires of the mere politicians. Look at the administration of President Harri-son from first to last: take into consideration the state of the country, the in-creasing prosperity, the lessening of the public debt, the opening of greater markets for our surplus products, the balance of trade in our commercial

this country, and if President Harrison is not re-elected to the high station which he has filled with such great satisfaction to the people, it will be because party spirit, operating as prejudice, shall blind the eyes of many to the just and proper view of the situation.

term, but outside of these, where would be the rejoicing? From what class of people would come the songs of triumph upon the accession of the democratic candidate?

It is very plainly evident that those nations of Europe which are jealous of our growing strength and importance in our growing strength and importance in the affairs of the world, rejoice if Cleve-land should happen to be elected. It goes with the saying that whatever is left of the animating spirit of the south-ern confederacy, (which, under a plea of liberty undertook to found an empire on chattel slavery) will almost think "king-dom come" if Cleveland is elected.

HOMESTEAD, Sept. 26.—The lockedout men to-day received their first benefits from the Amalgamated association. Nearly \$10,000 was sent to Homestead to be paid to the men, and it is stated that fully one-half of this amount was given to members of the mechanical departments who struck out of sympathy with the locked-out men. The arrival of the money which is the first substantial evidence of a support from the amalgamated association has a very cheering effect upon the men. While this is pay-day for the amalgamated members it is also pay-day at the mill and about \$60,000 is being distributed amongst the non-unionists. This is within \$20,000 of the amount paid before, when the mill was running in full.
