We do that sort of thing differently up this way, and think that we are letting the government rest upon "the consent of the governed." sede' was mispelled by 58 contestants; by the sprightly way in which he trav-'resuscitate' by 51; 'excellence' by 56; 'benefited' by 58; 'business' by 50; 'medal' sharp-shooter in the "unpleasantness" whether eighty-five persons picked up -Sunday, Feb. 5th will be railroad at random in any profession, outside of men's day for Columbus. Mr. Cecil L. the publishing fraternity, could do country.

-Miss C. C. Tennant Clay, a young lady of rare business ability, and a thorough adept in musical matters, has organized at Omaha a school of opera, an incorporated institution, with fifteen charter members, all of them, says the Omaha a school which will give musicians in this part of the country an opportunity to study without going to New York or some other distant city for their instruction. The school will be to sixty scholarships. THE JOURNAL hails with great delight this project, which promises so much for the adsection. What is Omaha's gain is also Nebraska's gain, and we would like to advantage of the facilities to be offered

-A gentleman, formerly a resident of Platte county, removed to Chicago twenty years ago. He continued to pay taxes on his Platte county farm promptly, and thought he was doing his full operating as a lien upon it, to the amount of \$160. It seems that there was a man living in Omaha, Neb., of the same name, precisely, and we are told that he represented himself as the owner of the best men in the country in the of this piece of land. This is a kind of co-incidence that does not present itself every day, but there is no day of the year when it is safe to "bank on" for the purpose of raising money or paying debts. The owner of the land in this case may be put to some trouble and expense in proving that he is not the person owing the debt.

-Two little Columbus girls are responsible for the following lines, which they will see now for the first time in cold print, and not know just how THE JOURNAL reporter happened to catch

"Minnie and Dollie are two little girls.
" both have curls.
" are always together,
Rain or sunshine or nicest of weather.
Minnie has blue eyes, Dollie has, too.
Minnie has one ring, Dollie has two.
I love Dollie and Dollie loves me.
Two happier little girls you never did see."

The lines may not be in strict meas ure, and some of them sound like old
