Houghton, Mich., Sept. 16.—The ex-

press car of the Mineral Range passen-

ger train, which left Hancock at 9

o'clock yesterday morning for Calumet,

was held up and robbed by bandits a

half mile from Boston. The robbers

secured \$75,000 in cash money, intended

for the purchase of the Calumet and

Hoch Island mine, for whom tomorrow

was pay day. The money was drawn

from the First National bank of Hough-

ton and the Superior Savings bank of

Hancock.

The express car was in charge of

Messenger D. W. Hogan, and there

were no special guards. The money

was obtained according to the usual

practice, the day before pay day at the

big mine, and the thought that there

was a safe deposit in the car, and that

the robbers were waiting for the train

to be stopped at the mine, was the

reason for the robbery. The money
