Bismark Township.

Henry Rickert, who was one of candidates for supervisor in Bismark township at the late election, has entered a contest before Judge Hensley of the county court, setting forth in his claim to the office that, the whole number of votes cast for the office was 125; that the incumbent. Wilhelm Schreiber. received 65, and the contestant 58, and that upon this apparent majority of 7 the certificate was issued to him.

Rickert alleges that John Mohnke, sr., The deceased had lived in Nebraska Serfken, Edward Boe, Anton Krofka, Mahias Kramar, Samuel Reinke, Martin Christ, Yeiter were accompanied to the voting booth by August Runge, one of the judges of the election, and were assisted in the preparation of their baling at 10 o'clock from the Catholic lots by him without the said electors having been first duly sworn or examined under oath as to their disability or their inability to prepare their own ballots, and that each and all of the said electors thus assisted voted for the in-

He alleges that Runge did not certify on the outside of the ballots or any of them, that the same were marked with his assistance: that all said voters, thus assisted, intended, when they entered the voting booth, to vote for the con testant, and requested the judge assisting them, to mark their ballots for the contestant, but that the judge wrongfully and corruptly, instead of marking the ballots to carry out the intentions of the voters, marked them for the incumbent, and that the ballots thus cast were sufficient to change the result of the election, and were cast by said electors in the belief that they were voting for

That Schreiber electioneered all day within less than 100 feet of the balloting and influence the electors of said township, gave and furnished whisky and cigars to the electors of the township during the time the polls were opened on the day. That he conspired with August Runge and procured him to at tend the polling place early in the morning, and that Schreiber furnished -There is opportunity in this city for Runge with whisky and cigars, and that an industry that would pay the proper he entered into an agreement with

TO REORGANIZE THE UNION PACIFIC.

in New York. from the pipe of a hired man. Everything concerning the great line

of road on which our city is located has a strong interest for us at all times, and more particularly so just now. Owing to the great indebtedness of the company and the fact that the govern ment talks of foreclosing its lien, some have been apprehensive that the interests of the road would suffer, and with

them, that all business along the line of the great system would feel the depress THE JOURNAL has sincerely hoped that these fears would not be realized; that, somehow, all interests could be united in a common purpose, mutually advantageous, and still hold the great system intact, to the advantage of all the cities

and towns along its route. We are glad to note that last Wednesday, at New York city a conference was begun, its purpose being the formation of a committee to financially reorganize

the estate of Ames by Executor Carr; the holdings of the Gould-Sage-Dillon Navigation company interests by M. H. most of the shinplasters and coins of the T. Higginson of Boston, and the Union American colonies. His list embraces Pacific, Denver & Gulf, by Gen. Dodge. over 1,200 pieces, besides the fractional Leader, quoting the above, adds: "Rats: It is stated that the exchange of views proceeded in a very friendly and business like manner, and that the selection

among their number would be made. If this shall take place, and the legiti-mate business of this great system of out its mission, to give to man the high-ment of the school was practically taken an ACCIDENT POLICY; if you want
