What is CASTORIA

Castoria is Dr. Samuel Picher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrup, and Castor Oil.

Castoria is the best remedy for children of whom I am acquainted. I hope this day is not far distant when mothers will cease to be interested in their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones.
