In the county court, Platte county. Geo. W. Elston, Plaintiff, vs. Hawkeye Commission Company, foreign corporation, Defendant.

The above named defendant will take notice that on the 8th day of August, 1894, Geo. W. Elston, plaintiff herein, filed his petition in the county court of Platte county, Nebraska, against said defendant, the object and prayer of which is to recover of the said defendant the sum of \$500 for money had and received by said defendant for the use of plaintiff, and that at the time of filing said petition the said plaintiff filed an affidavit for an order of attachment and garnishment in said cause and on the same day caused an order of attachment to issue in said cause against the property of said defendant under and by virtue of which said order and the said affidavit due and legal notice of garnishment was duly served upon the Commercial Bank of Columbus, Nebraska, requiring the said Commercial Bank to appear and answer as garnishee in said cause in said county court on the 3d day of September, 1894, as required by law, all questions put to it touching the property of every description and credits of the said defendant in its possession or under its control. And it appearing from the answer of the garnishee that it has certain monies in its possession belonging to said defendant subject to attachment, therefore said defendant is required to answer said petition of the plaintiff on or before the 5th day of November, 1894.
