Beware of Catarrhs for Catarrh of the Bladder.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous membrane, such articles should never be used except on prescriptions from reliable physicians, as the damage they will do is too great to be paid for by the temporary relief they give. Halls' Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Halls' Catarrh Cure be sure you get the genuine. It is taken internally and acts on the blood. Price, per bottle, 50 cents. Sold by all druggists.
