THE Schuyler Quill is one of the best populist papers in the state, and sees that matters are not going altogether as they should. It savs:

"United States Senator Allen seems to be the one powerful element with Gov- quickly routed and the Japanese army ernor Holcomb, in the way of securing the appointments. He got Dr. Mackay, his family physician and political mouthpiece, appointed superintendent of the Norfolk asylum in spite of the protest of the party leaders of the Third congressional district. He succeeded in getting Leidigh appointed warden of the penitentiary out of a young army of eye witnesses describe the slaughter as applicants. Leidigh, as a democratic horrible. applicants. Leidigh, as a democratic representative in the legislature of 1893. was the first to break to Allen for United States senator, hence this reward. Edminsten, as chief oil inspector. and the deputies selected, are about all with Allen's endorsement. In fact Allen seems to be bigger than his party and the wishes of the latter count for nought when not in accord with him.

WE are in receipt of copies of the speech of Hon. Charles H. Grosvenor of Ohio, in the house of representatives February 7 last, that is rich and racy. He is especially happy in picturing the situation of the democratic party and the administration. The lack of confidence of the people of the country, which is one of the foundation stones of position within 24 hours. At this junctthe hard times "is all due-absolutely ure the Ranger, under cabled orders all due-to the assaults made by the of the United States to protect Ameriadministration itself upon the integrity of the country, and all done as a shield to the democratic party for the future." According to the able congressman "the situation calls loudly upon us to retrace prevailing, the rebels quitted Esmeralda our steps, and by an intelligent tariff and Captain Boyano assumed posseslaw, framed upon the conditions as they sion. The rebels remain encamped in shall exist when the legislation is enact- the vicinity. The revolution is everyed, restore a system of protective tariff. where gaining in Ecuador. General Altaro has been proclaimed its leader. and in so doing restore prosperity to the people of the United States."

# Benator Morrister Shot

Br. Louis, May 14.-State Senator Peter R. Morrissey was shot and instantly killed at 3:30 a. m. by Maud Lowis, his mistress. The tragedy was enacted in her room on the second floor at \$719 Washington street. Morrissey want to the house at a very late hour and had retired when the crime was committed. The woman had been menally upbalanced for some time, according to the statements of her neighbors.

# What the Strike Cost.

CHICAGO, May 14 .- Fifteen hundred men were at work for the Illinois Steel company at South Chicago and the strike seems to be at an end. The company has withdrawn the 50 special deputies who guarded its property dur-ing the trouble. The north furnaces whre protected by a rope line and pa-thelide by the city police. The strike willed and wounded is not at an issue of the insurgents. The Cuban loss in killed and wounded is not at a for box and is not in possession the insurgents. The Cuban loss in killed and wounded is not at a for box and the form the insurgents resulted in their victory. The regiment of Cadiz, it is said, was routed and cut to pieces. The city was taken and is now in possession of the insurgents. The Cuban loss in killed and wounded is not at 200 while
