Some Wholesome Perfumes.

A French naturalist has discovered that many perfumes are not only harmless, but actually of value to health. He demonstrates this fact by the results of an experiment, whereby he exposed a number of disease microbes to the action of various essential oils distilled from flowers and plants. Bitter almonds, wallflowers, thyme, lemon and mint proved extremely deadly, while lavender ranked higher than either eucalyptus, turpentine or camphor.

about the Pink Pills, but I got some for her and they cured her right up. She has a sice color in her face, eats and sleeps well, goes to school every day. and is well and strong in every particular. I have never heard of anything to build up the blood to compare with Pink Pills. I shall always keep them in the house and recommend them to my neighbors.

Dr. Williams' Pink Pills for Pale Peoin such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheurratism, nervous headache, the after-effects of la grippe palpitation of the heart, pale and sallow complexions, that tired feeling re sulting from nervous prostration; all diseases resulting from vitlated humors in the blood, such as scrofula, chronic erysipelas, etc. They are also a specific for troubles peculiar to females, such ssions, irregularities and all "The poor fellow looked stunned for forms of weakness. In men they effect a moment or two, but finally there a radical cure in all cases arising from mental worry, overwork, or excesses of whatever nature. Dr. Williams' Pink Paid in Ca into his eyes, and in a triumphant tone Pills are sold by all dealers, or will be sent post paid on receipt of price (50 cents a box, or six boxes for \$2.50-they are never sold in bulk or by the 100) by addressing Dr. Williams' Medicine Co., Schenectady, N. Y.

TEMPERANCE.

The scientific temperance instruction | H.M. WINSLOW, bill passed the Indiana legislature. Dr. Bock of Leipsic says: "Beer is brutalizing; wine impassions; whisky

The amended temperance education bill passed both branches of the New The Murphy temperance crusade in Ypsilanti resulted in 1,500 persons signing the pledge.

Forty-four countries of the world now have branches of the Woman's Christian Temperance union. As a result of the recent no-license election three-fourths of the state of Illinois is said to be under prohibition. Mr. Murphy's temperance work at

Lewistown, Me., has continued with marked success. More than 3,000 persons signed the pledge. The American steamship line has it as an invariable rule that no captain or other officer, sailor or other employe shall use intoxicating liquor as a drink The Montreal Y. M. C. A. Bicycle club

while wearing the club uniform they will neither smoke nor patronize any At Desborough, in Northamptonshire,

England, a Band of Hope was formed six years ago. The success was so marked that an adult society was formed. The two societies now numof Cassier's Magazine. It was in 1889 Plain Icing.-Place two eggs on ice which may be summed up broadly as Minnie Palmer will arrive in this ber 1,015 members, out of a population In Minnesota the law making it B

legal to sell, barter or give away intoxleating liquors at retail or wholesale, in any quantity whatever where the people of a village or township have voted against the issue of license, passed both houses almost unanimously, and has been signed by the governor.

FOREIGN FLASHES.

Moses, the great lawgiver and author of the first five books of our old Bible, is said to have died on the anniversary of his birth, being exactly 120 years old. The average height of a man in the United States is 5 feet 101/2 inches; in England, 5 feet 9 inches; in France, 5 feet 4 inches; in Belgium, 5 feet 614

guished services in any line, whether military, civil, scientific or literary. It was founded in 1802. The "tael" is not a coin but a weight It varies in value according to the price of silver. In Pekin at the present timeone "tael" is equal to \$1.50 in Mexican

The Legion of Honor of France was

silver dollars or 75 cents in American For the benefit of those who would like to know upon what date Easter falls for the remaining years of this century, the Christian Work gives the following: 1896, April 5; 1897, April 18;

Round trip tickets to Omaha at the one pon to the State Fair), will be on sale Sep-temier 13th to 20th, at Burlington Route stations, in Nebras, a, in Kansas on the sioners-99,837; New York is second, Con ordia. Oberlin and St. Francis lines and in lowa and Missouri within 100 miles

> of Onnaha. Nebraskans are assured that the '95 State Fair will be a vast improvement on its predecessors Larger-more brilliant-better worth seeing. Every one who can do so should spend State Fair week, the whole of it. in Omaha. The outdoor celebrations will be particu-

larly attractive, surpassin; anything of the kind ever ie ore undertaken by any western city. Every evening, Omaha will be aflame with electric lights and glittering Indiana's corn crop for this year is pageants will parade the streets.
