-Sunday night one of our citizens unlocked. In the night he dreamed that he met a tramp and that he hid his money under a board for safe keeping. On awaking in the morning the money was missing from his pockets, but was found under his pillow, where he had coin and had several hundred dollars on his person. He stopped at a hotel and in the morning, when he went to pay a bill found the money missing from his pockets. He became very much concerned about it until it occurred to him that he might possibly have, in his sleep, put it under his pillow at the

hotel. He rushed back and found that to be the case. -Friday evening.
