Thursday evening, pursuant to call, bout thirty enthusiastic republicans were at hand at the council chamber to organize a republican club.

Carl Kramer was called to the chair and J. D. Stires appointed secretary, these selections being afterward, on motion of Henry Ragatz made permanent. A committee to circulate among

republicans and secure names for club membership was appointed, consisting of: First ward, John Wiggins; Second Henry Ragatz; Third, Frank Taylor. More than a hundred names have been secured, and still the good work goes on. Old-time democrats are coming into the fold, which is the right thing to do. The good of the country demands a republican administration, and we are sure to have it before another year.

The meeting adjourned subject to the call of the chairman.
