-New York Tribune.

Such absurd little hands that flew here and there now after a dancing sunbeam, now clutching the bright, round, twinkled and gleamed so softly ander the brown lashes! How tiny the whiteshod feet that kicked against the wide chair, in which the policeman had placed its royal babyship!

"Guess you ain't acquainted with colice stations," said the sergeant, "but you seem pretty much at home, just the same." "Cudga, cudga, cudga," it answered.

"Da-da, da-da, dada." "We hear all sorts of languages here. but we don't seem to understand you," remarked one of the officers. Then, turning to a fellow-policeman, he

asked: "Where did you find the kid?" "I didn't. It found me. I guess its mammy was a-shoppin' and it must have walked out of a store. Anyhow, I never caught sight of it until it trotted out into the street and took hold o' my hand. I waited round with it a long time, hopin' its mammy would come for it, and then I brought it here." "Blame me, if it ain't the dandiest and devotion.

youngster I ever clapped eyes on!" put

YOUNG AT FIFTY.

HOW A METHODIST MINISTER

CARRIES HIS YEARS. From the Times, Oswego, N. Y. Probably no man is better known or more highly respected in Oswego, N. Y than the Rev. William Young, of the Methodist church. Mr. Young holds responsible position with the Oswego City Savings Bank, where he has been an employe for the past twenty years.

In the spring of 1894 Mr. Young looked as if his time on earth was limited but, instead of failing as was predicted, he soon gained a more healthy same beady drink which brilliant fros- look and appeared stronger. As the ty mornings have brought to the smok- months went by this improvement con tinued, until flow he is as rugged and their flashing eyes and strong, curved of thirty, although his gray locks de-

had made this great change, called upon Mr. Young at the bank and put the question direct and received the following reply: "In truth I am a changed man, and I physicians, and although I receive temporary relief, the same old trouble THE UNITED STATES came back again and I was worse than bition, and when I would go to the tabl to eat, my appetite failed me and would have to leave without taking hardly any nourishment. My kidneys were also badly affected, and I was in titter despair. One day, here at the bank, I happened to pick up one of the local papers, and my eye fell on the ad-

vertisement of Dr. Williams' Pink Pills The advertisement gave a description last resort to try a box of the pills, mak ing up my mind that if they did not help me I certainly would not be injured any. Going to a drug store I purful authority, that \$250,000,000 is lying chased a box of Dr. Williams' Pink Pills and commenced taking them according to directions. Very soon after I began to feel better and I saw I had made no mistake in trying the pills, and before the first box was emptied I felt so much improved that I immediately purchased another. I had taken seven boxes of the pills, and at the end of last summer I felt I was entirely cured and discontinued their use, but always keep a box handy if occasion requires. I am now entirely cured. The lassitude London society has developed a new has left me, my kidneys are all right craze—midnight cycling excursions inme at the table. I am a new man in, and instead of feeling like a mai of fifty, which is my age, I feel like a youngster of twenty, and I give Pink Pills the full credit for this great change. I have recommended these pills to several of my neighbors and ac-

quaintances, who have been relieved of WILLIAM YOUNG. (Signed) Subscribed and sworn to before me this 25th day of May, 1895. BERNARD GALLAGHER,

Dr. Williams' Pink Pills contain all the elements necessary to give new life all druggists, or be had by mail from

U. S. Grant's Caustic Reply. Gen. Grant, while walking out in the suburbs of Washington, frequently met a butcher driving a horse, to which he took a strong liking. After much negotiation he bought the animal, and had it taken to his stable, where one day Senators Conkling and Jones were invited to look at the new purchase. "Well, gentlemen, how do you like the new horse?" asked Grant, after of the year, because, besides the the animal had been inspected. "How much did you give for him, Mr. Presito remove when once they have dried lakes, there is a constant exhalation | dent?" asked Conkling. "Four hun-Can we, then, imagine inhabitants in their functions as the zoophytes of the in but with persistent use of benzine from the ground in the form of vapor. dred dollars." "I'd rather have the four hundred dollars than the horse, stains are removed.

Stoves and ranges should be kept free stain their hands and feet with indigo

Trom sect in all account of turpentine obstinate obliged to go into mourning, not only butcher thought," coolly remarked stain their hands and feet with indigo Grant, puffing out a cloud of smoke;

Every thoroughbred is able to make his saled dressing.
