 		 -Quite a number of ladies expect to hear Mm. Foster's speech at David City this (Tassday) evening. -We est a pattern on Hosiery. Prices, which our competitors find it hard to approach. The Fair. -Chas. Roelle and Miss Louise Hertig were married Saturday by Rev. De Geller at the German Reformed church. -John Brock will make a careful, thorough assessor. He is a well-informed man and will do his duty. -A communication in regard to the Heater meeting at Platte Center was received too late for insertion this week. -The annual state conference of the city superintendents and principals of the state is to be held at Lincoln October 15:-17. -C. A. Speice was nominated for supervisor and John Graff for assessor, 	a small crowd tais year for even a Bryan meeting. The republican rally at the same place was very well attended—so says a Journar reporter. —C. A. Woosley of this city spoke Saturday evening at Postville to a crowded house, going over all the po- litical issues of the day. His speech occupied two hours and fifteen minutes, and was listened to with close atten- tion by those present. That section of the country is reported as gaining ground for the republicans. —Monday Oct. 5, a republican caucas was held at the Buss school house, pre- sided over by John A. Graham, and the following candidates were nominated for township offices: Clerk, Fred Ger- ber; constable, John A. Graham; justice of the peace, John Graham; treasurer, John Eisenman; assessor, Albert Heun- nen; road overseers, district 58, Jacob Eisenman; No. 15, John J. Eisenman; indees of election John Buss. John J.	-Havemeier, we are told, had consid- erable to say about Mark Hanna, but it was noticeable that there wasn't any- thing against his character as a man. But why should Havemeier single out Hanna as a plutocrat—he is not running for any office in this campaign. He is working for his friend McKinley, we grant, and seemingly he is doing most excellent work, but why not, Mr. Have- meier, direct your attention to "pluto- crat" Sewall, who is one of the two Bryan candidates for vice-president? If your love for the p-o-o-r people is so exceedingly great that every man who differs from you in opinion and happens to have more property than you must be denounced because of it and dubbed a p-l-u-t-o-cr-s-t, why not set Sewall up	measures before the senate. He is not a politician, in the narrow sense of that term, but a business man, named for this important and honorable office be- cause his fellow-citizens know him as just-minded, safe, careful, fair and watchful of the public welfare. - The Wild West show passed through the city Sunday morning between 6 and 7 to North Platte, where they were to exhibit Monday. There were two trains and consisted of forty-five cars. The performances Saturday at Omaha were witnessed by ten thousand people; in the evening there was a large crowd notwithstanding the severe weather. -Tuesday evening of last week about supper time some one stole from John L. Sturgeon's big barn a set of double harness worth about \$18. Thefts of this kind are getting to be quite too numerous. Communities will put up with thiswes of this order about so long.	Ioss of their babe. 330 REWARD ! Stolen. Some one stole from my barn on the night of October 1 one set and a half of double harness. The half set was a mule harness with single tug about three inches wide, and had been in use about a year. The double set was light, and brass mounted. The bridles had no throat latches on them. I will pay \$30 reward for man and harness. St PATRICE MURRAY. The Irrigation Convention At Lexington, Nebr., Oct. 7-9, will be a great event in the history of this state, as will also be the irrigation fair, and Buffalo Bill's Wild West abow, to be held at North Platte, Neb., Oct. 9-16, 1896. For both these occasions the Union Pacific will sell tickets from points on its line in Nebraska and from Cheyenne, Wyo, at rate of one fare for the round trip. For limit of tickets.	treasury the sum of \$2,000 since the last meeting.
