THE CAPITAL

LINCOLN, March 9, 1897. The arrest of Ex-State Treasurer Bart- manipulation of trust stock in Wall lev adds nothing to the situation here except the mere incident of the arrest. It neither adds to nor subtracts from his make a report dissenting from Senator shortage or his guilt. It affects no one except that it is one step toward the enforcement of the law. It makes no one richer or poorer except those who are suployed and those who employ in the legislature and ordered printed. still further legal proceedings. It affects Nebraska people adversely as an addition to the diagrace and humiliation of the result of a shooting affray here one state. It affects them favorably as a woman lies dead and two other persons the Fifty-third congress, which was corps. This post usually brings a man state. It affects them favorably as a woman nes dead and two other persons sign that their laws, though trampled on are probably mortally wounded. A controlled by the Democrats, to the existence of the senate of and broken, are still supreme. It says and broken, are still supreme. It says to all present and future public officers, "you may fool the people and betray them, but you cannot fool the law and through abdomen. Kittie Dupre, shot escape its penalties."

It affects the republican party adversely as an additional stain upon its past, but favorably as a warning that its future must be upon higher ground. It affects populism as an opportunity to instantly killing his wife, who had left feed, as it is ever wont to feed, upon the him several weeks ago. He then fired carrion rot of distrust and hate, to still at the other woman, the ball entering further parade its shoddy wares of pretended housety, to carry out with still and received a ball in the abdomen. bolder audacity its crimes against the Ross surrendered to the authorities. estitution, to still further deaden the moral sequibilities of the people, to keep BLOCKENGTON, Illa., March 9.—Ex-the state on a still more downward and Vice President Stevenson and wife have degrading trend and to carry out, unob-ty many friends. Citizens of Bloombut one thing at a time, the petty personal plots of its machine, which is now moving on a downward grade in the lower strata of cheep politics.

the beels of industry and pray upon the Dench, Ed Gifford, Charles Ashinger and Harry Wood all started in the six-

ields them from the public view. The governor and his cronies in oil room, like hyenes at a newly discovered grave, gloat over the feest that is before them, and pressing each other's hands they whisper, "Things are coming our way." It is the hour of opportunity to them. Republicans have done more for them than they could do for them-

So long as the search-light of public scrutiny is turned on defaulting republicens, the vote counters who are to find 20,000 more votes than were cast for the amendment can report to the ring privately the daily results which are denied the public, and the mangled constitu tion can bleed unheeded by the people

The people of France in '93 could see the parasites who had plundered them, but they could not see the pirates who were steering the craft of revolution. This is '93 in Nebraska. The people can see the plunderers of the treasury. but they cannot see the pirates who are steering the ship of state towards revolution and anarchy. But they will and they will realize in due time that the state cannot get out of this slough of despond by walking over the prostrate form of a broken constitution and a defiled ballot. The vote of the STATE Treasurer Bartley's preliminary people on these amendments was count. ed and returned by the various county counting boards, when there was no conspiracy or incentive among them to commit fraud. What reason is there to presume that these county canvassers returned all other votes correctly, but 30,000 votes? Why not recanvass all the votes? Perhaps there is a 30,000 mistake in returning the vote on the legis-

If the election returns had elected this fusion majority in the legislature but defeated the state ticket, would not neual with him, most admirably exthen this recount scheme have embraced also a recount of the votes on state officers? Why do they recount the comb votes? Is it not because the r turns showed Holcomb elected and a recount was not necessary in his case but in the case of Kirknatrick a recount is necessary and 30,000 more votes Gov. Dig Appropriations Made by the Last Congress.

REVIEW BY CAMBON AND SAYERS.

For Keeping Appropriations Down in the Future-The Toran Shows How Af-

tive Cannon (Ills.), chairman of the opriations committee of the house. and Mr. Severs (Tex.), who is at the head of the minority of the commi have prepared their reviews of the apations of the congress just ende Mr. Cannon's statement is of more than usual significance on account ntions and suggestions he makes for methods for keeping down appropria-tions in the future. Mr. Cannon makes the total appropriations submitted to the president for his approval at the last session, including the general de ficiency, which failed in conference

\$517,103,458, or \$25,383,276 less than the sion were \$515,845,195, making a total or the congress of \$1,043,437,018, which he says, is \$49,795,812 more than the appropriations for the preceding congress. The increases, he points out, include Fortifications, \$12,563,467; for river and barbor works, including contracts therefor, \$2,476,506; for public buildings, none of which were authorized by the Fiftyfourth congress, \$2,342,594; for the posta service, \$11,454,305; for the naval estab ishment, \$8,947,528, and on account o permanent appropriations, mainly to meet interest and sinking fund charges

for the bonds issued by the Cleveland administration, \$24,983,744. "The appropriations are," said Mr Cannon, "in my judgment, in excess of service. But this fact, while greatly to properly chargeable to the action of either of the great political parties of where competent and where consis the country. It is the result of conditions accruing out of the rules of the house and out of the rules, practices and so-called courtesies of the senate, together with the irresponsible manner whereby the executive submits to congrees estimates to meet expenditures for the conduct of the government. If the appropriations made by congress have been extravagant and beyond the revenues of the government, how much more so have been the estimates of the executive. The record shows that in no instance during many years past have the appropriations made by congress measured up to the full amount recom-

penditure of public money, and that and the people know what the vote was. guished member of the legislative branch of this government, will exact of his cabinet counsellors some degree up job" plan upon which the whole of wholesome effort in the direction of scheme is founded. The public may intelligent recommendation of public expect some interesting developments as expenditures, to the end that congress may not have to strive unaided and alone toward bringing our public expenditures within the sum of our pub-

> He criticizes the action of the senate in always "loading up" the general deficiency bill and making it a "vehicle for all sorts of claims."

Makes Pertinent Suggestion In discussing the remedies for keep ing down appropriations, Mr. Cannon makes the following pertinent suggestions: "The remedy for this evil is for the great committees of the house and senate on the judiciary, claims and war claims to formulate an intelligent measure that will provide a tribunal of final jurisdiction, whither these claims may be sent for full and intelligent consider against the government can be paid. there is no doubt. But claims that are based upon fraud can be stigmatized as fradulent by such a tribunal and congress once for all, can be relieved of the annual importunity for their considera-

tion. There are too many appropriation bills. Instead of 14 there ought not to ought to be made, as it was prior to 1881, a part of the legislative, executive provides for the official staffs and expenses of the several executive departments, except the agricultural depart-

"The army, fortification, military academy and naval appropriation bills ought to be consolidated into one. By such consolidation much time now wasted in irrelevant general debate and formal proceedings would be saved to

Sayers' Statement. Mr. Sayers, in his statement, makes the total appropriations of this congre \$54,197,812 in excess of the Fifty-third congress; \$16,3:2,470 over the Fiftycans, has made, or sent to the presi-dent for approval, including the gen-Triple theeting Afray.

EAUKAUKA, Wis., March 9.—As the eral deficiency bill, as agreed upon, ap-

the fortifications, river and harbor works, the postal service and the naval establishment. In addition to this enormous increase in direct appropria-tions, this engress at its first session authorized contract liabilities for river and harbor works, fortifications, increase of the navy and other public works amounting to \$75,816,489. At least two-thirds or one-half of this large sum remains to be provided for by future congresses to that extent that it constitutes a fixed charge against the revenues of the country, which, by reason of extravagant appropriations, now falls short \$5,000,000 a month of meeting the expenditures of the govern

After discussing in detail the increase he concludes: "The appropriation the support of the federal government have grown to such startling propor-tions within the last dozen years, as to render it well nigh impossible to devise means of raising revenue wherewith to ures. If the new admeet the exper threshold of power carries out its pledges threshold of power carries out its pledges
by giving to the country a protective
tariff, it will atterly fail to produce the
means of meeting expenditures, if they

NEW SENATORS ARE ON TIME. Members Are Not So Present In Go

WASHINGTON, March 9 .- Most of the lew senators were on the floor when Vice President Hobart called the senate to order at noon Monday. The other senators were not so prompt in making their appearance. The galleries, mye that reserved for the diplomatic corps, were througed with curious visitors. livered his invocation, Mr. Pruden, the president's executive clerk, appeared with the nomination of a pens

Some routine business was transacted

efore the senate went into executive session. Mr. Elkins presented a long memorial from the legislative assembly of New Mexico, praying for certain mining legislation, and Carter (Mont.) series of memorials from the legislature of his state in favor of the pas-sage of the postal savings bill, and in favor of a constitutional amendment providing for the election of United tates senators by the people, and also in favor of government management of the Union Pacific railway. The last munication of ex-Secretary Lamont. dated March 5, transmitting certain papers called for, was laid before the nate. The vice-president submitted some resolutions of the New York Chamber of Commerce, praying for the early ratification and passage of the

hitration treaty.

At 12:30 p. m. the senate went into executive session. The balance of the session was devoted to executive business, and at 1:05 p. m. the senate adjourned until Wednesday.

Bliss Will Be Conservative. WASHINGTON, March 9. - Secretary of the Interior Bliss has stated to friends the legitimate demands of the public his purpose of acting on a conservative policy and of making changes only where necessary. The men now in with reason and the necessity of confidential relations. Senators Wilson of Washington, Shoup of Idaho and Elkins of West Virginia were among those who had pleasant chats with him. The latter was accompanied by his old law partner, ex-Delegate Catron of New Mexico, and were in conference behind closed doors with the secretary for some

> WASHINGTON, March 9.-A special meeting of the executive committee of the national Republican committee was held here for the purpose of accepting come secretary of the interior in President McKinley's cabinet. Without delay the committee selected Mr. J. G. Cannon, also of New York, to be Mr. Bliss' successor. The new treasurer is well known in New York business circles, and is the vice president of the Fourth National bank of that city.

Republicans Working on Tariff. WASHINGTON, March 9.—The Republi can members of the ways and means committee of the house are working industriously to complete the tariff bill. Three sessions of the committee will be held daily until it is perfected. With the exception of the wool and sugar schedules, all the others are now more or less complete.

President Does Night Work. WASHINGTON, March 9 .- The pres dent spent considerable time for fice last night, disposing of accumulated public business, and in receiving special callers to whom he could not give sufficient time during the day. The vigitors included several senators, among whom were Mr. Wolcott.

Advertising For Armor Plate Bids. WASHINGTON, March 9 .- The navy department in a day or two will issue advertisements calling for over 8,000 tons of Harveyized steel armor for the battleships now being built. The law fixes the maximum price to be paid at \$300 per ton.

Sherman Signs Extradition Papers. WASHINGTON, March 9 .- Secretary Sherman has signed the extradition papers authorizing the delivery to the Australian officers now in San Francisco of Frank Butler, who is wanted in Australia on a charge of murder.

Sinclair Appointed Steward. WASHINGTON, March 9.-The presi dent has appointed William Sinclair as steward of the White House, which place he held under the Cleveland administration.

Oklahoma Divorce Invalid.

NEW YORK, March 9.—Another Okl homa divorce has been declared invalid by the supreme court. In January, 1896. John D. Driscoll, on the pretense of going to Iowa to secure a position went to Oklahoma, where he obtained a divorce on the ground of his wife's cruelty and desertion. As soon as he returned his wife had him arrested in a suit brought by her against him for divorce. Driscoll did not put in an appearance at the trial, but relied on the validity of his Oklahoma decree. Jus-tice Lawrence granted Mrs. Driscoll her decree, holding that the western divorce was invalid, as Mrs. Driscoll had never appeared in the suit, was a nonresident of Oklahoma, and the court had never acquired jurisdiction over her.

Captain Bingham Promotod. WASHINGTON, March 9. — Captain Theodore A. Bingham, corps of angi-neers, has been detailed as superintend ent of public buildings and grounds i of Connecticut and graduated from the academy in 1879. He was for a time United States military attache at Berlin and Rome.

Robert Resigns From Racing Board. St. Louis, March 9.-Mr. D. W. Robert, St. Louis representative of the L. A. W. racing board, has resigned his office. It is understood there has been friction with President Potter. In 1895 Mr. Robert jumped into national prom inence by filing charges against L. D. Cabanne of St. Louis, Fred Titus of New York, and Charles Murphy of Brooklyn, charging them with having conspired to "fix" and with having "fixed" a race in St. Louis.

Antonio Esota Dying. New York, March 9 .- A special to The Herald from Panama, Colombia, says: Antonio Essta, formerly presi-dent of San Salvador, is dying. His physicians have given up all hopes. His brother Carlos is in San Francisco.

Sympathy With the Crotene JEFFERSON CITY, March 9.—Senator Seabor introduced a resolution in the RADUATED FFF RILL

n In Well Supported In Jahraska House

BETTERATIVE AND REPERSOON

Direct Legislation Clark Donies That the Resultionne Had Made Opposition

dered to be engrossed for a third reading, seems to be quite a popular measure among the members of the house of all parties. It provides for a graduated ystem of fees in the office of the secretary of state, especially applicable to corporations. The second section prorides that corporations for works of internal improvements, mining, manufac-taring and all organizations incorpor ated for profit, other than mutual insurance companies, loan and investment companies and banking institutions, shall file articles of incorporation with the secretary of state and shall pay the

For articles of incorporation, domestic or foreign, for the first \$100,000 or frac-tion thereof, \$10; for recording each aditional \$1,000 a charge of 10 cents per \$1,000 and 10 cents for each 100 words. codetice etc., shall file arti less for filing shall be \$2 and 10 cents for each 100 words for recording. There is an emergency clause to the bill and it will doubtlers pass.
The following gives the

fees received by the office of the secretary of state from Jan. 8, 1897, to March 897, inclusive: 130 notarial commis sions were issued, for which this office received \$180; under the operation of Gray's hardware store. house roll No. 479, the office would have received for like service \$650; for filing and recording articles of incorporation and certificates, the office received \$82; under the operation of house roll No. 479, the office would have received for like service \$17,687; the office received \$212, and under the proposed law it would have received \$18,837.

LINCOLN. March 9.-The house of oted an hour yesterday morning to discussion of the intiative and referen dum. Burkett completed the speech he had commenced Saturday. Yeiser, author of the measure, house bill No. 68 had another inning. Wooster of Merrick spoke a few minutes in opposition to the bill, and Clark of Lancaster de nied that the Republicans has made opposition to the measure a party issue and explained his antagonistic position reading by a vote of 58 to 24.

Legislators Become Knights. OMAHA, March 9 .- Last night th court of King Ak-Sar-Ben II was in creased by the allegiance of nearly 400 ate and house and prominent citizens of Lincoln. After the initiation speeches were made by Speaker Gaffin, Repre sentatives Wooster and G. R. Fouke of Gage and Paul Clark of Lincoln.

Quarantine Against Texas Fever. LINCOLN. March 9 .- Governor Holcomb has issued a quarantine proclamation in conformity to that emanating from the agricultural department at Washington under date of Jan. 27 last, dealing with Texas fever and cattle from the infected locality. The governor's proclamation bears date of March

Death of James Dwyer. FRIEND, Neb., March 9.-James Dwyer, aged 54 years, one of the most prominent merchants in this city, died with inflammation of the stomach. The remains were taken to Mount Pleasant, sold for 25 to 30 cts. per bushel. Ia., for interment.

Ex-Senator Dolph Loses a Log. PORTLAND, Or., March 9.-Ex-United imputated just below the knee and he lies in a very critical condition. It is physician decided that it was a case of cultivate. uric acid poisoning and that the only the crop. hope for his recovery was through am-

Seward Reporter: Brown & Fletcher the butchers, met with a severe loss last Thursday, eight head of their fat cattle being drowned in the Blue river. They had some 65 head of cattle in their yards west of the city, which they had been feeding all winter. The cattle rubbed on the west gate until they got it open. and all ran down to the river. A number of them got on the ice in a group. and the ice broke. Ten head fell into the water, and all but two were drowned. The cattle were in good condition for market, and worth about \$40 per head. The loss is a severe one to Messrs. Brown & Fletcher, and will take the profits off of their winter's feeding. Madison Chronicle: The special elec

tion held in Norfolk, Monday to vote bonds for the Yankton & Norfolk railway, carried by an overwhelming majorthe measure than the necessary twohas voted bonds for this and we hope they now get it. The road is to be completed and have trains running into Norfolk by Jan. 1st, 1898, in order to secure the aid voted. The completion of this road will give this section a through line to the great lakes and undoubtedly provide a better market for our surplus grain and live stock, because of lower freight rates. We congratulate Norfolk on her prospects for a new railroad of the section and provided the section and provided the section at through line to the great lakes and undoubtedly provide a better market for our surplus grain and live stock, because of lower freight rates. We congratulate Norfolk on her prospects for a new railroad out of the section number ten, in township name thirteen north, of range number forty-fire west of the 6th P. M., in Douel county, Nebraska. thirds. This is the third time Norfolk

Schuyler Quill: On Wednesday even ng the business men and citizens of Schuyler were called together in the office of Court Clerk Dunkel for the purpose of talking over the chicory question and pushing the factory scheme along. There was considerable talk made and remarks on the subject were made by C. J. Phelps. A. Rosenberg, J. C. Grasborg, and others. It was finally decided to cut down the capital stock of the proposed association from \$100,000 to \$50,000 and to make the shares \$50 -Chicago Inter Ocean and Convergers each instead of \$100, with \$2 per month JOURNAL, one year, in advance \$1.75.
