FEDERAL JUDGE DEFIED CHAPTER ONE OF M'KINLEY.

Review of Five Months' Work of the Ad

The period between the inauguration of President McKinley and his departure from Washington for a vacation after the first five months of hard work constitutes chapter 1 of the administration's history. This is a distinct period for trial and achievement, and it is worth while to see what the record is. Between the time when Major Mc-Kinley took hold and the time when he lets go temporarily for rest, these things,

among others, have happened: 1. The tariff question has been r moved from politics. The pledge of the party which nominated McKinley that it would give the country a squarely protective tariff as a settlement of the of the federal authorities. This action uestion, and thus give the country rest, is the outcome of an injunction issued has been honestly redeemed.

2. The administration during these five months has organized for four years. The president has met and sustained the tremendous strain consequent upon the legitimate competition for office. He has made most of the principal ap- der the state laws to prevent the Mupointments in a manner generally satis- tual Life Insurance company from dofactory to citizens of all parties; and, ing business in Kansas. > TO GOVERN YUKON COUNTRY. Dominion Government Will Place Administrator la Charge.

Toronto, Ont., Aug. 10.-A special to The Globe from Ottawa says that the Dominion government has reached several important decisions in regard to the Yukon country and the working of the gold fields there. It has been decided to appoint an administrator for the district, who will have entire charge of all the Canadian officials there and be the chief executive officer of the gov-Christi, although he left Barcelona a ernment. Major Walshe, a former commander of the Northwest mounted police, is to be appointed to the position. The party of mounted police to leave Manitoba next week for the gold country has been increased from 20 to 35. They will take with them two

Maxim guns. The mining regulations have been amended in an important particular. At present a miner is at liberty to stake out a claim of 500 feet running along with the stream and back to the bank. This has been reduced to 100 feet and the new regulation will go into force immediately.

A court for the administration civil and criminal justice for the gold district has also been decided upon. Justice McGuire of Prince Albert is to preside over the court.
