HATS and CAPS.

NOW IS THE TIME

To lay in your supply of hard coal for next winter—don't try to persuade yourself that the temperature is going to stand at 90° in the shade until next March-it won't do it.

A cold winter is coming just as sure as one extreme

follows another. Be wise and avoid the fate of the

livery at \$9.25 per ton. This is bed-rock price for the coal delivered in your bin, and on cash basis.—Also, all

CHRIST WUTHRICH AND SON. I have fed Standard Food for sevand got me rattled, and, to tell the eral years, and can truthfully say that has spring seats and backs and is protruth, I went off and voted for Bryan and free silver but if the good Lord that food than any other thing I have soap, etc. An experienced excursion and free silver, but if the good Lord ever fed. Standard Food is the proper conductor and a uniformed Pullman will forgive me I will never be such a thing for a farmer to feed to horses,
