From the Springfield (III.) Monitor: Mr. Lincoln once remarked to a fellowpassenger on the old-time mud-wagon coach, on the corduroy road which antedated railroads, that all men were prompted by selfishness in doing good or evil. His fellow-passenger was antagonizing his position, when they were passing over a corduroy bridge that spanned a slough. As they crossed this bridge and the mud-wagon was shaking like a Sucker with chills, they espied an old razor-backed sow on the bank of the slough, making a terrible noise because her pigs had got into fearing only the beat of the drum and the slough and were unable to get out. and in danger of drowning. As the ject." The "other feller"-who was no less a personage than at that time "Colonel" E. D. Baker, the gallant general who gave his life in defence of Old Glory at Ball's Bluff-did not "object," when Mr. Lincoln jumped out. ran back to the slough, and began to lift the little pigs out of the mud and water, and place them on the bank. When he returned Col. Baker remarked: "Now, Abe, where does selfishness come in on this little episode?" 'Why, bless your soul, Ed, that was the very essence of selfishness. I would
