# OVERWORKED WOMEN.

Letters to Mrs. Pinkham From Women Who Have Been Helped From Sickness or Health.

The ordinary every-day life of most of our women is a ceaseless treadmill of work. How much harder the daily tasks become when some derangement of the emale organs makes every movement painful and

keeps the nervous system unstrung! The following letter from Mrs. WALTER S. BANTA, Sparkill, N. Y., tells the story of many women, and shows them how to get relief: "DEAR MRS. PINKHAN !- I cannot thank you enough for all Lydia E. Pinkham's Vegetable

Compound has done for me. When I wrote to you I had suffered for years with falling, inlammation and ulceration of the womb: my back ached, and I was so much distressed I could scarcely walk. I was a burden to myself and did not care whether I lived or died.

"I have taken five bottles of your medicine and it has done wonders for me as all my friends can testify. I can / now do my own work, and do not know how to express my gratitude to you for the good your medicine and advice have done me. I owe my life to Mrs. Pinkham."

Mrs. Pinkham's counselisoffered free to all women who need advice about their health. Her address is Lynn, Mass. Mrs. P. H. HUTCHCROFT, Kel lerton, Iowa, tells here in her own words how Mrs. Pinkham helped her: "DEAR MRA. PINKHAM:-- I was in # very bad condition before I wrote to you and began the use of Lydia E. Pinkham's Vegetable Compound. I did not know what to do. I suffered terribly every month, when on my

feet would have such a bearing-down feeling, was very weak, womb was swollen, back ached, appetite was very poor, also had trouble with my head. or four times the number. I like to other cases. The author is of the opin- I have taken several bottles of your Compound and cannot say enough in its

byspepsia is one of the most prevalent of diseases. Thousands of people suffer from it in a more or less aggravated form. Few diseases are more painful to the individual or more far reaching in their effects on human life and happiness. What the dys-peptic needs is not local treatment, not mere temporary stimulus. The real need is the toning up of the entire system. For-tify the system and it will do its own fight ing, and promptly eject any intruding disease. The success of Dr. Ayer's Sarsa-parilla in curing indigestion and dyspep-sia is due to just this quality which it possesses, of renewing the vital forces. The ordinary treatment brings the food down to the level of the weak stomach. Dr. Ayer's Sarsaparilla puts strength into the stomach, and brings it up to the level of the stomach cannot stay weak when all the posters are gaining strength. What Dr. Ayer's Sarsaparilla will do for dyspepsia is best illustrated in cases like that dr. Ayer's Sarsaparilla will do for dyspepsia. But let him tell his own story:good Try Dr. Ayer's Sarsaparilla if you are eases that "5 Drops" cures.

Saint Foix, the French pcet, who was always in debt, sat one day in a barber's shop waiting to be shaved.

He was lathered, when the door opened and a tradesman entered who happened to be one of the poet's credit-

ors, and angrily demanded his money. The poet composedly begged him not to make a scene. "Won't you wait for the money until I am shaved?" "Certainly," said the other, pleased at the prospect. Saint Foix then made the barber a witness of the agreement, and immediately took a towel, wiped

the lather from his face and left the shop. He were a beard to the end of his days.
