Some Clew as to the Man's Taking Of, if the Bettle of Strycknine is a

Sunday forencon, John H. Wilchens who has for the last three years been living one door north of Carl Reinke's. on Olive street), was missing, not having returned from visiting a neighbor's block east.

son, who has been working for Dr. Baker. An old man, uncle of the deceased has been living with him.

One day last week, he had Gus G Becher go into the country with him to help collect some \$900.00 of rent, he being the owner of two good farms in the

Tuesday morning Henry Backenhue found the dead body of Mr. W. in the grove of trees on Fred. Gottschalk's place, between the town hall and the corner east, across the road north from the sheep rauch. In one of his vest pockets was a bottle of strychnine in one of Dr. Heintz' wrappers, with some of the poison yet in the bottle.

It has developed that he transferred by deed last week two city lots and two hundred eighty acres of land. The inquest is to be held this, Tuesday

afternoon. The body lies in an uppe room at Gass' undertaking establishment, and has not at this writing been touched except to be cared for. He was about forty-four

hair, whiskers and no mustache. He is described as a very well behaved man, sober and industrious.

After all, the best chance for the average man is on the farm. He can live more independently there than anywhere else. As to society, so longed for and supposed to exist in town and city, it is largely a delusion. Its advantages over the society of the country cost more than they are worth. The professions are all crowded. Jobs are no only hard to get but are hard to keep A man can make a living and a home on a farm and that is about all any man can very much like pursuing a mirage of going to Klondike hoping to strike a mine of gold. We can waste our lives in a fruitless chase, or at best, after striking something rich, find ourselves worn out and disqualified to enjoy or use to any real profit what we have se cured. The best advice which can be given to anyone in these times is to get out and keep out of debt. Get a home, small or large, but get a home, improve it and hold to it as a refuge through all Mr. and Mrs. Frank Smith of Herbst, the possible storms of the future.—Cedar

> Royal P. Drake. The candidate for the republicans fo county attorney, is a lawyer who resides at the thriving business center of the north part of the county-Humphrey. He is well known to many Journal readers as an industrious, talented, faithful member of his profession, and one who, if elected, will make a very creditable official.

on the functions of county attorney.

tions should understand his business should be faithful to the interests of the county, and should be fearless and impartial in the discharge of his duties. It is no office for time-servers; no place for ignoramuses; no place for men scriber who cuts out this offer and sends January of each and every year.
