but Failure is the legacy of indifference. 463 acres about 6 miles north and 4 miles east of Columbus, where for many years until he moved his family to Columbus in 1891, he made his home. Henry Rickert bought the old home several years ago. Mr. Reinke tells many interesting stories -Harry Mosgrove goes to northwest

ern Nebraska the first of this year to of pioneer life; of the long snow storms lasting several days at a time, when it was dangerous to be out of doors at all. The last week of November, 1856, Mr. Reinke says the snow was four feet deep on the level; in ravines in many places the snow was twenty feet deep. The storm had continued so long that everybody thought the world was near the end. In these early storms, wild animals such as elk would often break through the snow, sinking to the body and then perish, unable to help themselves. The only person who perished in these dreadful storms in this

Miss Annie Sheppard of Millard and neighborhood was John Kumpf, father of Mrs. Wm. Bucher, Mrs. Lusche and Charles Kumpf. Mr. Kumpf lived near Mr. Reinke. In returning home from Columbus one day he lost his way in the storm and was found first by Mr. Reinke, frozen stiff. This was about the 30th of December, 1863. Mr. Reinke is a friend of the Indians, and thinks they have been given a worse name than they deserve The only trouble he ever had with them was in August, 1857. He and Henry Lusche were on top of his house shingling the roof, when some Omaha Indians P. Coolidge. Will is deputy county came along and ordered them to give them food. They gave them what they thought sufficient, but they wanted more and finally Mr. Reinke put them out of

the house bodily. This enraged one to shooting with his bow several arrows Misses. Bertha and Grace Askine, the through the window, but upon aiming a good gun at him the Indian with his comformer from Lincoln, the latter from panions left. Mr. Reinke was married to a most excellent woman, Margaret Virginia, Gage county, are making a ten Pilling. September 20, 1861.
