The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitu-tional disease, requires a constitutional treatmedical fraternity. Catarrh being a constitu-tional disease, requires a constitutional treat-ment. Hall's Catarrh Cure is taken internally, acting direction on the blood and nuccus sur-faces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The pro-prietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials. Address F. J.
