Defeats Aguinaldo's Forces in a Pitched Battle.

THE AMERIGANS LOSE ONE MUNDRED

Is Three or Four Hundred-Rebels Make a Final Stand and Fight Desperately—Stake Everything on the Attempt to Overthrow the Americans.

MANILA, March 25 .- (New York World Cablegram.)—A sweeping victory over Aguinaldo's forces has just been won by the United States troops. The total American loss is estimated at about 100, including both the killed and wounded. The Filipino loss is between 300 and 400.

the plans for striking what he hoped would be a final crushing blow to the native rebellion, the advance was ordered Friday morning. Major General Otis' brigade was astir early, breaking camp quickly and getting ready for a swift movement. The Third and Seventeenth regiments of United States infantry, which had gone aboard the transport Sherman, to be conveyed presumably to some point on the bay, disembarked to march to the front overland. The Twenty-second regiment of Kansas regiment report that the Fili-United States infantry and the Oregon volunteer regiment were among the first troops to set out today for the scene of impending action to the north of Manila.

advance movement for some days. expected an engagement would take Their spies within our lines usually Wise is the fool who knows enough have kept them advised of the American plans of operation. In this case the Filipinos knew they must make The rebels were putting their Bolos in their most stubborn stand, as the American commander meant to wipe them out or disperse them and capture

their capitol, Malolos. They moved forward from Malolos, leaving there only a bodyguard for Aguinaldo, it is said, and concentrated in large numbers about Malabon, which lies to the north of Manila on the railway and on the shore of the bay. There they had been exceedingly active for several days fortifying. They had constructed several lines of trenches and had arranged defenses peculiar to the country, and doubtless

felt that they could at least hold the Americans at bay. So busy had they been in getting ready for a supreme struggle that they though stragglers and fugitives may had neglected to make their customary infest the island of Luzon for some attacks by sharpshooters on our outposts. The fighting today was desperate on the part of the Filipinos and determined on the part of the Americans. The result was disastrous to the

Decision of President Deferred. THOMASVILLE, Ga., March 25.-The administration will not decide upon its permanent policy respecting the Philippines until the Schurman commission reports. It feels that its knowledge of the conditions is too indefinite as a basis for a fixed policy. Moreover, an immediate decision is felt to be needless, since for the Lawton's arrival at Manila have been present the only problem is the restoration of law and order and the establishment of stable peaceful conditions. now in progress. The reinforcements This and the appointment of a diplomatic representative at Madrid are two of the most important matters running from Manila to Pasig, estabremaining open. The Madrid mission probably will be raised to an embassy soon after payment of the \$20,000,000 indemnity and a man of the highest qualifications and attainments chosen for this delicate and important post. storm of bullets."

caped from Polo to the lines of the pinos have concentrated their forces at Malabon and Polo. They add that only Aguinaldo's bodyguard is at Malolos and that the rebel leaders apparently intend to stake their fortunes The rebels had been expecting an on a fight at Malabon, where it was place yesterday. If defeated, it is further asserted, the rebels intend to disperse to the swamps and mountains, front, believing that the Bolomen's charms will avert the bullets. The Bolos of the Filipinos greatly outnumber the rifles in their hands. The rebels are further said to have admitted that they cannot withstand the American shells and bayonet charges The escaped Spaniards corroborated the stories told of food shortage among the rebels and they added that their hospitals are short of supplie

WASHINGTON, D. C., March 25,-16 s understood here that General Otis has so far matured his plans of campaign that within a week or ten days he will be able to begin a movement which is expected to mark the destruction of Aguinaldo's army. Altime, it is believed that after Otis has delivered his next blow the army, as an organization, will have ceased to exist. The new movement will be carried

on, it is understood, by a combined

land and water attack, though it is not

expected that the navy's part in the program will be particularly prominent. Otis has procured thirteen of the gunboats formerly owned by the Spanish government, and they are to play an important part in the development of the campaign. Many of the troops which had been engaged on the outer lines up to the date of General withdrawn to the water front and a complete reorganization of the army is now arriving at Manila are being used to maintain the strength of the lines lished by Wheaton's flying brigade. The next movement that is expected here is by water. It is believed that Otis will place a complete brigade on board vessels, steam rapidly northward and land it beyond the insurgent head-quarters at Malolos. If this movement succeeds, as it should, if made with rapidity, the insurgent army will find itself completely penned in with no opportunity for retreat. To the north will be this flying brigade, on the east Laguna de Bay, across which they will be prevented from escaping by the American gunboats now affoat there: the Pasig river to the south is well policed by tin-clads, and with a strong line in the position occupied by

movement in that direction, while to the west the Bay of Manila is closed It is hard to conceive how, if this end either in their breaking through the American lines or in their surren-"Oh, what a sad page to the history der. THE pleasant method and beneficial effects of the well-known remedy, Syrup or Figs, manufactured by the California Fig Syrup Company, illustrate the value of obtaining the liquid laxative principles of plants known to be medicinally laxative and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect strengthening laxative,

> CLEANSING THE SYSTEM EFFECTUALLY, DISPELLING COLDS AND HEADACHES, PREVENTING FEVERS, OVERCOMING HABITUAL CONSTIPATION PERMANENTLY.

Its perfect freedom from every objectionable quality and substance, and its acting on the kidneys, liver and bowels, gently yet promptly, without weakening or irritating them, make it the ideal laxative. In the process of manufacturing figs are used, as they are pleasant to the taste, but

THE MEDICINAL QUALITIES ARE OBTAINED FROM SENNA AND OTHER AROMATIC PLANTS,

by a method known to the California Fig Syrup Company only. In order to get its beneficial effects, and to avoid imitations, please remember the full name of the Company printed on the front of every package. Consumers of the choicest products of modern commerce purchase at about the same price that others pay for cheap and worthless imitations. To come into universal demand and to be everywhere considered the best of its class, an article must be capable of satisfying the wants and tastes of the best informed purchasers. The California Fig Syrup Company having met with the highest success in the manufacture and sale of its excellent liquid laxative remedy. Syrup of Figs, it has become important to all to have a knowledge of the Company and its product. The California Fig Syrup Company was organized more than fifteen years ago, for the special purpose of manufacturing and selling a laxative remedy which would be more pleasant to the taste and more beneficial in effect than any other known. The great value of the remedy, as a medicinal agent and of the Company's efforts, is attested by the sale of millions of bottles annually, and by the high approval of most eminent physicians. As the true and genuine remedy named Syrup of Figs is manufactured by the California Fig Syrup Company only, the knowledge of that fact

will assist in avoiding the worthless imitations manufactured by other parties. CALIFORNIA FIG SYRVP (? LOUISVILLE, NY. SAN FRANCISCO, NEW YORK, N.Y.
