THE MARKS OF SUFFERING

Women who suffer constantly with weakness peculiar to their sex cannot retain their beauty. Preservation of the mark of excessive moods of suffering is a familiar one in the faces of young American women.

Don't wait, young women, until your good looks are gone past recall. Consult Mrs. Pinkham at the out-start. Write to her at Lynn, Mass.

Miss Edna Ellis, Higginsport, Ohio, writes: "DEAR MRS. PINKHAM - I am a school teacher and had suffered untold agony during my menstrual periods for ten years. My nervous system was almost a wreck. I suffered with pain in my side and had almost every ill human flesh is heir to. I had taken treatment from a number of physicians who gave me no relief. In fact one medicine no medicine could help me. I must submit to an operation. At my mother's request, I wrote to Mrs. Pinkham stating my case in every particular and received a prompt reply. I followed the advice given me and now I suffer no more during menses. If anyone cares to know more about my case, I will cheerfully answer all letters."

Miss Kate Cook, 16 Addison St., Mt. Jackson, Ind., writes: "DEAR MRS. PINKHAM - I am by occupation a school teacher, and for a long while suffered with painful menstruation and nervousness. Winnipegosis Letter.

From Donald Trehear, Who Went Fresh From Austin, Texas, March, 1900.

Winnipegosis, Man., Jan. 23, 1900. Benjamin Davies, Esq., Canadian Government Agent, St. Paul, Minn., Dear Sir: - I have great pleasure in writing you these few lines to let you know how I like my new location and how I have been getting along since I left Southern Minnesota.

The plans for the three big battleships authorized by the naval appropriation bill just passed are being worked out. The battleships will be a thousand tons larger than the Maine and a million dollars more.

Michael D. Wild has been made secretary of the Baltimore and Ohio Southern Railway, succeeding Edward Bruce, and assistant secretary of the Baltimore and Ohio Railroad.

Any Girl Can Tell. A physician who makes the test and is honest about it can tell you that, in many cases, the number of red corpuscles in the blood is doubled after a course of treatment with Dr. Williams' Pink Pills for Pale People.

That this means good blood may not be entirely clear from the doctor's statement, but any girl who has tried the pills can tell you that it means red lips, bright eyes, good appetite, absence of headache, and that it transforms the pale and sallow girl into a maiden who glows with the beauty which perfect health alone can give.

Methus's whose daughters grow debilitated as they pass from girlhood into womanhood should not neglect the pill best adapted for this particular ill.

Frank E. Trout, of 103 Griswold Ave., Detroit, Mich., says: "At the age of fourteen we had to take our daughter from school on account of ill health. She weighed only 90 pounds, was pale and sallow and the doctors said she had anemia. Finally we gave her Dr. Williams' Pink Pills for Pale People."

The genuine Dr. Williams' Pink Pills for Pale People are sold only in packages, the wrapper always bearing the full name. At all druggists, or direct from the Dr. Williams' Medicine Co., Schenectady, N. Y. 50¢ per box.
