

CRESCO... A Pleased Customer

is a Store's Best Advertisement.

It is one of the principles of our business to render satisfactory service to our patrons.

J. H. GALLEY,

Dry Goods, Clothing, Boots and Shoes,
Columbus, Nebraska.

The Best Merchandise, An Elegant Stock to Select From, THE LOWEST PRICES.

These are all factors in the success of this business. We regard every patron as a business friend, and invite you to call again.

One of the most widely advertised corsets of the present day is the "Cresco." Fashion journals and ladies' magazines have been discussing its peculiar merits. Women have heard about the "Cresco" Corset, the only corset made that can not break at the waist line. It will be pleasing news to our patrons when we tell them that we have secured the sole agency for this section of the famous "Cresco" Corset.

Iron and Brass Foundry also

General Machine Works.

I am now ready for such business in my line as you may wish done on short notice, either casting or machine work of any kind. —Young people of this county who expect to go to school this fall should write for the third annual announcement of the Preparatory School to the State University at Lincoln, notice of which appears in another column. 1
—The Tenth Pennsylvania soldiers are expected to pass through here Saturday on their way home from service in the Philippines. The regiment spent a day in Omaha and will be guests of the Exposition management.
—Next Sunday evening at the Congregational church Rev. Hayes and Prof. Williams will tell of their visit to the Detroit convention for the benefit of the Christian Endeavor society. A cordial invitation is extended to all to attend.
—Mr. and Mrs. J. L. Paechal, Misses Martha, Rena and Gladys Turner visited the Fair in Omaha on Editors' Day at the Greater America Exposition. The newspaper fraternity were entertained royally all day by the Exposition managers.
—Eat a 25c meal at the Farmers' restaurant, one door west of Galley's store on Eleventh street, or invest in 25 cents worth of goods, and get a ticket for the music box, with twelve pieces of good music, to be given with it, a free gift to some one.
—The elevation of Columbus above sea level, as given by the Union Pacific engineers is 1,442 feet; Schuyler, 1,346; Fremont, 1,192; Oconee, 1,489; Platte Center, 1,536; Madison, 1,574; Norfolk, 1,514; Genoa, 1,573; Albion, 1,747; Fullerton, 1,623; Cedar Rapids, 1,775.
—Samuel W. Allerton, the Chicago millionaire, has recently purchased six thousand acres of Beaver valley hay lands, in Wheeler county. The price paid was \$1,000 per quarter up. A big stock business is to be instituted at once. Nebraska lands are rising all around.
—Vic Kramer, while driving his herd of town cows to pasture Tuesday morning, got seriously hurt. His horse ran under J. R. Armstrong's clothes line and caught the horn of the saddle pulling it and Vic off the head. The horse kicked him on the head inflicting a bad wound.—Albion Argus.

—Miss Mary Richards of Colorado Springs will arrive in the city today and will endeavor to start a class in art, painting from nature and art embroidery. Any one interested is invited to call on Miss Martha Turner for information.
—A Chicago traveling man Monday gave free vent to his views concerning the Omaha exposition, praising where he thought praise was due, but mainly condemning, not the management, but the idea of trying to have a big show this year, after such a grand success as last year.
—A. Freese has purchased Charles Wardman's interest in Columbus Planning mill, and is now sole proprietor of the establishment, grounds, building, machinery, etc. The business is flourishing, plenty to do, and Mr. Freese will doubtless keep up the good reputation of the establishment.
—The returns are now beginning to come in from the steam threshing outfits over the state. Already the engines of several have exploded, not only causing loss of machines and grain but life as well. One which exploded near Tate last week, injuring nine men and burning the separator.—David City News.
—J. G. Lang who received his discharge from Co. F at Manila, and who it was reported would remain in the islands and accept a position in the city schools changed his mind when he saw the boys leave for home, so boarded the next ship bound for America, arriving in Madison Monday evening.—Chronicle.
—In time of peace, prepare for war; in other words, during the heated season, prepare to war against the cold of next winter. Go to Speice & Co., and they will show you how to conduct this warfare to your advantage. Success in any endeavor lies in the application of good common sense to the facts of the situation. 4t
—The G. A. R. reunion last week at Genoa was a big success in every way—attendance, pleasant surroundings, pastimes and enjoyable sports. There were more people than had been expected. Modern Woodmen day, Friday, bringing the largest crowd. The occasion will be long remembered by those present.
—EMBROIDERIES!
Good judges are taking advantage of the great embroidery sale at E. D. Fitzpatrick's. Follow the crowd.
—The Japan papers, speaking of the conduct of the First Nebraska on shore leave in Tokio, praise the soldiers very highly for their admirable bearing. The Japan Herald boils the praise down into one sentence: "They have shown us that gentlemen can be fighters and have proven now that fighters can be gentlemen."
—When Commodore Schley captured the Spanish fleet off the coast of Cuba, the Spaniards were found to be out of coal. Bad for the Spaniards, wasn't it? Well, now, don't you be like them, but leave your order at once for your winter's supply of both hard and soft coal with C. A. Speice & Co. 4t
—Sup't O'Connor of the Norfolk public schools was in the city Thursday, and gave THE JOURNAL a very pleasant visit. He was looking in his usual good health and spirits, as though he had not passed through a siege of severe sickness. While he was ill and without solicitation, the board elected him superintendent for three years.
—A David City young man wrote his best girl after one of those ordinary quarrels saying: "I want you to return everything that I have given you." She replied by telling him to call at a certain hour and she would cheerfully comply with his request—beginning with the kisses. He went of course, after his possessions.—Butler County Press.
—The Grand Island District Camp meeting is in session at Fullerton. The services are held in a tent 60x90 feet and ample provisions have been made for the comfort of the crowds in attendance. The Fullerton News says that every indication points to one of the most successful camp meetings that has ever been held in this part of Nebraska.
—Joseph Gardner, lately returned from Crowley, Louisiana, says that sugar cane produces three crops from one seeding, gives nineteen tons to the acre, which sells for \$2.50 to \$3.00 a ton. That it is as easy to handle as corn, until it comes to the cutting and hauling. As to rice, it brings 40 to 50 bushels an acre, and is generally worth about 80c. a bushel.
—A. W. Armstrong returned Monday evening from the Kersbrook ranch near Milford. Thursday week, in that region, there was a strip of country, eight to ten miles wide, which suffered an intermitting rain and hail storm for about eight hours, doing very great damage to crops. It is said that a depth of nine inches of water fell during that time.
—Nelson Thompson, in connection with Allerton interests is buying up a large quantity of land in the sand hills to be used as a stock ranch. He has already purchased several thousand acres and aims to make a ranch of at least 10,000 acres to start with. M. N. Flinn is assisting Mr. Thompson and will probably continue as one of the principal rustlers in the big enterprise.—Cedar Rapids Outlook.
—We are indebted to E. L. Lomas of the Union Pacific Passenger department for a copy of "Nebraska—a complete and comprehensive description of the agricultural, stock raising, and mineral resources of Nebraska, and statistics in regard to its climate." For so unpretentious a production we haven't in a long time seen its equal for stating briefly the salient features of our great state. Every Nebraskan or those contemplating residence here should secure a copy.
—The Columbus Planning Mill, A. H. Freese, proprietor, is ready to take all your orders for general mill work in whatever shape it may come. Call and see. Saw, shingles, screens, tanks, etc., etc. See some of the specialties, but everything in our line, we can do for you, on short notice, and at very reasonable prices. We have employed C. C. Hardy to assist us—a man well known for the thoroughness of his work in our line. 4t

—Mielen leads in photo work.
—When you want threshers' coal, drive to Speice's. 4t
