THE German imperial yacht Hohen zollern entered the harbor at Portsmouth, England, at 10:04 a. m. Monday, and was welcomed with salutes of the guns of the war ships and forts. The emperor and empress and their two sons landed at 10:30 and were welcomed by the duke of Connaught. It was a typical November morning, as the Hohenzollern loomed in sight, escorted by the German flotilla of eight British torpedo boat destrovers, which met the German ships outside of Spithead. The visiting party arrived at Windsor 1:45 p. m., and were received by Queen Victoria. After playing national airs the Marine Light Infantry band struck up "Oh, Willie, We have Missed You," which seemed to please the emperor greatly. Cablegrams say that the kaiser has made it perfectly made during this time to accumulate a plain that his present attitude to Engwhile to alter it to avowed sympathy.

THE Philadelphia Times claims that Senator Hanna scored several victories in the last election, in this way: The ley for the presidency next term; the result in Nebraska, which the Times attributes to the scheming of Hanna, is calculated to ensure the nomination of Bryan, which would be far more favorable to republican success than that of a conservative democrat. Hanna is surely a convenient vehicle for carrying the stray and queer conjectures of amateur politicians and statesmen. He is the great bugaboo of the pops for frightening voters that waver between the lines.

As a result of the recent death in Morse school, Kansas City, of Blanche Nippold. 10 years of age, due to convulsions, following a mild slapping administered by the teacher, the city board of job. But the party of discontent cannot education adopted a rule absolutely prohibiting any bodily punishment in the school room, such as shaking, jerking, which permitted corporal punishment of incorrigible children, after notification of their parents, still stands. This rule provides that such punishment shall not be in the presence of the scholars and must be witnessed by a principal or two

tions three years ago. Under the circumstances it is remarkable that any business man or any farmer and against his own interests. It is re-

ent. To correctly judge how it is al read the reports which have been gathered from among the industrial institu-The 2,229 concerns which have sent

in reports not only employed 64,749 more hands in 1898 than they did it 1895, but there was an increase in the amount of wages paid of \$37,415,763.20. Does this not look like prosperity: What would the showing be if all the industrial concerns in the country had reported? For these 2.229 concerns alone it means that the 64,500 hands were all employed at good wages in 1898. With this great prosperity
