knows just how to steer a vessel to bring it safely through the shoals and out into the open. Just so the Encyclopædia Britannica is the one voyage of life. One cannot go wrong if its teachings are followed. It tells the mistakes men have made: how others have succeeded and why. An intelligent man gets good from the experiences of others and steers clear of the rocks they ran against. The very presence of the Encyclo-

pædia Britannica in a house gives the place an intellectual tone. A library of thousands of volumes does not offer such an opportunity for successful home study and development as this masterpiece of literature. There is no more instructive reading on earth than that contained in its 30 volumes. To a life whose current runs toward the future, this great work is indispensable. Just now you can secure the

Encyclopaedia Britannica For One Dollar Cash paying the balance in small monthly payments. Remember, too;

Month thereafter.

A reduction of 10% is granted by paying cash within 30 days after the receipt of the work. Knowledge Concentrated

boiled down, pressed together is what you get in the New Werner Edition of the ENCYCLOPEDIA BRITANNICA. The facts contained therein are reliable, the statements authoritative. The index which accompanies each set of books enables you to find the information you want quickly, and you can rely

upon it, for even the courts do not question its statements. You can secure the entire set, complete in thirty superb octavo volumes, of the

Encyclopedia Britannica for One Dollar Cash and the balance in small monthly payments.
