Tuesday's City Election.

The election yesterday passed off with the usual lack of exciting incident. The electioneering done was far away from the polls, so far as the general public was aware. The day was pleasant, and voters seemed in the best of spirits.

There was no contest on members of school board, two to elect, and one nominated on each ticket, so that both are elected, the table showing the total vote by wards. Galley, for treasurer, and Curtis, for police judge, besides Scott, for member of school board are the republicans elected.

Below we give a tabulated vote of the city by wards:

THE residence of A. Anderson on the southwest corner of Fourteenth and B streets is one of the handsome residences of the city. Mr. Anderson had the house built about ten years ago by James Salmon, then a carpenter of this city. The place is furnished with all the modern conveniences, and has, on the third floor, a fine billiard room.

Perfect digestion is the only foundation for perfect health. The food we eat makes all the blood we have, which in turn feeds every nerve, muscle and tissue in the body. HERBINE quickens the appetite, aids digestion, gives tone and vigor to all the functions and ensures good health. Price, 50 cents. A. Heintz and Pollock & Co.

Martin Jensen, a baker by trade, who had been at work at Humphrey several months, while beating his way on the Union Pacific accommodation train Saturday night, fell under the wheels at Plate Center, and was badly mangled. He was brought to the hospital here and one leg was amputated soon after midnight. It is thought the other may be saved.

Nearly every person needs a tonic medicine at this time of year to brace up and invigorate the nervous system, to cleanse the bowels, liver and kidneys. HERBINE is the best and safest remedy to do this, as it will cure constipation, regulate the liver and enrich the blood. Price 50 cents. A. Heintz and Pollock & Co.

O. K. Davies of Silver Creek is making quite a reputation in his line of business, for which he has been preparing himself for some time past. He sold to Adam Mason the other day (the dam of those that Mr. Searls bought of him) for \$25, being five cents a pound, and she was in fair stock order. He is pricing his Durac Jersey cows, bred, at from \$13 to \$20.

A letter received by friends of Mr. and Mrs. W. R. Notestein says that Mrs. Notestein had all the fingers and part of the right hand amputated on the 21st of March. Last fall, when they were in Salida, Colo., (they are now living in Salt Lake City) they were running a laundry, where Mrs. Notestein had the misfortune to have her hand caught in machinery, from which she has suffered much.

R. P. Scofield and family are moving this week to Stuart, Nebraska, where they have purchased a farm and expect to make their home. Mr. and Mrs. Knox accompany them. The Scofield family have lived on a farm north of this city for eleven years, coming here from New York, and they will be greatly missed socially, and as among the most progressive farmers in the county. THE JOURNAL commends them to the good people of Holt county as worthy of all confidence.

Mrs. F. M. Hall of Lincoln, a leader in woman-club circles, and one of the most entertaining speakers of the state, will give two lectures this Wednesday afternoon, and also in the evening, at the opera house, illustrated by stereopticon views. The afternoon talk will be on her travels through foreign countries, and in the evening on the Congressional library, which has gained such fame for its grandeur. The admission will be 5 cents for children and 15 cents for adults, the proceeds to be given to the public library and for art decoration in the schools. The Woman's club of the city believe they have secured a speaker, who will interest and instruct every one who will attend.

Mrs. O. Johnson lost 15 or 18 chickens stolen from the premises; Rodock's one hen of revenue of eggs—25 dozen and H. P. Coolidge a number of chickens. The latter was able to identify some of his, because nobody else here had any like them, and finding them at John Schmooker's (who buys for shipment), he filed complaint before Police Judge Hudson, against two young men, Frank J. Mink and Mike Jankoski, aged respectively 17 and 18 years, alleging petty larceny to the amount of \$4.50. They were sentenced to ten days imprisonment, and the sentence suspended until this Wednesday morning, in the hopes that probably thus there would be better opportunity of securing evidence against either in the gang.

Charles Morrissey, born in this city, and who afterwards went with his parents to Lincoln, Nebraska, to reside, and from which place he entered the service of the United States as a soldier and was sent to the Philippines for duty and who with fifteen or twenty comrades were fired into from ambush while trying to make a landing with the Yorktown at Baler in April a year ago, and all captured or killed, the friends never having had the full particulars of the incident until last week when Lieutenant Gilmore's report received at the war department, which is especially interesting to our readers, wherein it tells of the death of Private Morrissey. The report tells of how the boat crew was ambushed, a first notice of the enemy being a shout from the outpost in the bushes. Here is where the report tells of the death of Morrissey, as follows: "Before I could answer the shout, a volley was fired at us at close range, fifty to sixty yards. The effect of this volley was terrible. Morrissey was killed instantly, his brains being scattered over the boat and crew." After the capture the soldiers who were still alive were taken inland by the insurgents, and Gilmore, who was the commander of the crew, does not know what disposition was made of the bodies of Morrissey and Dillon, the two dead soldiers.

FARMING GROUP

The Balloon.

(Painted by Julius Dupuis.)

A MOST BEAUTIFUL PICTURE FOR THE HOME.

This masterpiece represents a family of peasants in the harvest field. It is noonday—not a breath of air is stirring and away off in the distance where the villagers are holding their country fair a balloon hangs in the sky. They gaze in mute astonishment, wonder, awe and admiration, revealed in their faces and attitudes. It is the work of a master hand.

This is reproduced in colors 22x30 inches, is a marvelous oil painting effect. You could not buy one for \$2.00. We bought them in ten thousand lots, so can offer it mailed in a tube, post-paid, with a three months' trial subscription to THE WEEKLY BEE FOR 25 CENTS.

Personal Mention.

Mrs. Catherine O'Neill, wife of James O'Neill and mother of Mrs. S. J. Ryan, departed this life at their home in Columbus at 4 o'clock in the afternoon of Tuesday, March 27, 1906, in the 76th year of her age. Mrs. O'Neill was born in county Tipperary, Ireland, and came across the ocean to Canada when she was quite young. There she was married to the husband who now survives her, after which they moved to Wisconsin. From Wisconsin the family moved to O'Neill, Nebraska, where they made their home for over twenty years. Early last fall herself and husband moved to Columbus where already resided two of their children, Mrs. Ryan and Michael O'Neill. She was a devout member of the Catholic church, receiving the rites of that church before death, and was interred in the Catholic cemetery east of this city, after requiem mass had been celebrated at the church, on Thursday, the 29th. She was a fond mother, a faithful wife and a true christian in faith and practice, and much respected by all who became acquainted with her. She leaves, besides her husband, two sons and four daughters to mourn her departure, to wit: Michael and Charles O'Neill; Mrs. Ann Durkin, of California; Mrs. Ellen Connolly, of Oklahoma; Mrs. Catherine Brady, of Caldwell, Kan., and Mrs. Jennie Ryan, all of whom were present except Mrs. Durkin and their son Charles. The funeral was largely attended by friends who followed her remains to her long earthly home. Requiescat in pace.

School Notes.

All the Cadet suits fit and look well. Capt. Elliott has obtained permission to use militia rifles in the drill.

Prof. S. H. Hamill and his daughter, instructors in elocution, visited the High school Monday morning. Mr. Hamill told us of the good results arising from elocution. He also told us of some of his students, who had become prominent, among whom was W. J. Bryan. Miss Hamill gave us a fine illustration of voice culture in Taneyson's "Bugle Song" with imitation of the bugle call.

In the North Nebraska Declamatory contest at Wayne last week, one representative stood third in the dramatic. One of the judges placed Miss Zinnecker second, and the audience were highly pleased with her rendition. Six gold medals were given to the winners—two to the first and second of each class—in the oratorical, dramatic and humorous classes. A young man from South Omaha won first place in the dramatic. Miss Zinnecker had eleven competitors. The North Nebraska Teachers' association also met at Wayne. Prof. W. J. Williams reports 409 teachers in attendance.
