HERBINE is the best and safest remedy to do this, as it will cure constipation, regulate the liver and enrich the blood. Price 50 cents. A. Heintz and Pollock & Co.

—The receipts of the Columbus post-office for the fiscal year ended March 31, 1908, were \$2,188. The last year previous to Mr. Kramer taking charge, the receipts were \$5,925. When the receipts of an office exceed \$2,000, the law provides that it shall be a second-class office, and after July 1st, Mr. Kramer informs us this will be the case. The increased receipts, of course requiring increased facilities, pay, etc., and in many ways, the change will be beneficial. Columbus can reasonably look forward to a good government building here, in which to transact government business.

—Doubtless we shall have hot weather after this wet spell, and it will be found necessary for comfort to clean up, increased, yards and cellars of everything that would be decayed by the air. One of the modern theories is that all human ailments are due to microbes, and the bad microbes seen to flourish in filth of various kinds. The new administration, it is understood, are pledged to some lines of reform, such as the opening of closed streets, and the improvement of streets generally, by grading, and occasionally, at least, timely sprinkling when dusty, etc., and we suppose that effort will be put forth now, in short order, along all lines to give evidence that what was said was at least well-meant.

—D. F. Davis has purchased a newspaper outfit and will produce the first issue of the Schuyler News next Thursday. Although two papers are a plenty for Schuyler, the field will not be as overcrowded with three papers as most newspaper towns are. Mr. Davis has the best wishes of the Quill in his new undertaking. His paper will be democratic and the printing will be done on the Sun's press. The News will not do job work.

—The above is from the last Schuyler Quill. Mr. Davis was recently postmaster in this city and before that for a number of years published the Columbus Democrat, changing the name to Telegram, when he started the daily. His many old acquaintances here will wish him success in his new venture, republicans, however, drawing the line on his politics.

—What seems to be a well-authenticated rumor is prevalent upon our streets that Messrs. Anderson & Ross of Columbus have contracted to purchase the Citizens Bank building and will start a bank therein the first of May, to be known as the Second National Bank of Fallerton. Messrs. Anderson & Ross are in the banking business at Columbus, and are a firm that enjoys the confidence and respect of everybody. Fallerton has entered upon that stage in life when there is sufficient business for two banks and while the First National has sufficient funds perhaps to do all the business required, yet the fact remains that "competition is the life of trade." The Post welcomes the new firm to our business circles and certainly wishes them success along all deserving lines.

—Judge Hensley of Columbus was in town Monday looking up the records in the Debery case. We understand the children propose to open up the case to find where the money went from the side of the land. Debery is still crazy and in the asylum, while the children are anxious upon friends and relatives.—Fallerton Post.

—City Band Concert.

E. C. MOCKENBERGER, DIRECTOR.

The third and last of the series of concerts is to be given Friday evening, April 30, at the opera house, beginning at 8:15.

This will probably be the best of the series, so far as the music is concerned, for several reasons, mainly that they have the advantage of experience before the public and more time for practice.

All can look forward to a rare treat so far as the music is concerned, which is of course the main thing at a concert.

However, a jewel to be fully appreciated, should have a fair setting, and for the first time in public, the band will appear in their handsome new uniforms for which they are gratefully indebted to the generosity of Columbus patrons.

It has been intimated that sometime, in the near future, the band may conclude to entertain their friends in one of the nearby towns. If so, they can expect a hearty reception.

Following is the program:

1. March—Casey on Parade.....Blasford BAND.

2. Trolley Polka.....Sutton BAND.

3. Serenade—The Old Church Organ.....Chambers BAND.

4. Trombone Solo—Selection.....Rubicon MARTIN SCHILL.

5. Cake Walk—Topsy's in Town.....Crowby BAND.

6. Andante and Waltz—Daughter of Love.....Bennett BAND.

7. Porto Rican Dance—Rosita.....Jean M. Mionid BAND.

8. Song.....Selected MISS TENA ZINNECKER.

9. Descriptive—The Trumpeter's Dream.....Wilson BAND.

10. Overture—L'Emotion.....Arr. by Ripley BAND.

11. Violin Solo.....Selected PROF. E. H. GARLICHE.

12. March—The Union Forever.....Scoutin BAND.

The Ninth grade bookkeeping class began actual business last Thursday.

Miss Maudie Parker of Genoa taught in Miss Dawson's place last week during the latter's illness.

Fred Saffron of the Senior grade was on the sick list Thursday, but was able to be at school Friday.

The first issue of the High School Reporter appeared last Friday. The paper gives general satisfaction.

The entertainment given by Prof. S. S. Hamill and daughter on Tuesday evening was the best we have heard of this year.

Miss Mollie Moore of the class of '99 accompanied by Miss Marion Richardson of Clark is visiting Miss Lottie Hochstetler.

The Slayton Jubilee Singers, the last number of the High school lecture course, appeared before a crowded house on Thursday evening. The program was long and interesting, and was well appreciated. Such an entertainment draws a larger crowd than lectures.

Death of Dave Hale.

A telegram was received this morning announcing the death of David Hale at Hot Springs, Ark., which occurred sometime last night.

Mr. Hale was a picture of health until he caught a bad cold from exposure while driving cattle and it has since resulted in a complication of disease. He went to Hot Springs some months ago with a view of improving his health.

The deceased was a resident of Medicine for a number of years, being engaged in the live-stock business. He was a good manager and accumulated considerable property. About fifteen years ago he moved to Humphrey, where he has since made his home. Of recent years he has been agent for a brewing company. He leaves three daughters, Mrs. W. E. Harvey, of Newman Grove, and Misses Longene and Francis. Deceased was about 55 years of age.

The funeraling is from the Madison Chronicle of the 12th. Mr. Hale was well-known to many JOURNAL readers, who will sincerely mourn his death. He had many good qualities, and numbered his friends by the score. The remains passed through here Sunday, burial to occur at Medicine, that day. Peace to his memory.

This Masterpiece represents a family of peasants in the harvest field. It is moonday—not a breath of air is stirring and away off in the distance where the villagers are holding their country fair a balloon hangs in the sky. They gaze in mute astonishment, wonder, awe and admiration, revealed in their faces and attitudes. It is the work of a master hand.
