The balance of net trade in favor of the United States during the last century preceding this administration amounted to \$311,000,000. with the world. In three years of the administration of the United States treasury is \$1,400,000,000. It is \$1,100,000,000 more accomplished in those three years than had been accomplished in 100 years preceding.-Senator Hanna.

Cause for Congratulation. While it is never worth while to be posstful, it is a cause for congratulation that this country has gold to lend instead of being cempelled to borrow. The borrower is always to some degree the with a full purse is able to have its way with that of May 12, 1880. in a good many things besides securing money to make both ends meet. - Phila- friends.

delphia Times. FINSEN, the Danish scientist, invented a process for destroying germs and thereby curing certain diseases by means of light rays. This process is called phototherapy. An apparatus has been constructed and used by Dr. George Hopkins, a Brooklyn physician, which has attracted wide attention, especially among cancer specialists. A telescopic tube directs a very powerful ray of light upon the patient-22,000 candle power: quartz lenses are used to decompose the light, the heat rays being eliminated and the actinic rays, blue, violet and ultra violet, being passed on along the tube, and these are rays which, directed upon the diseased part, act as germ destrovers, but have no effect upon sound flesh. The lengthy account before us gives particulars of the treatment of three cases, the remarkable thing in al being that the eradication of the cancerous growth was entirely without pain or soreness: the bad flesh was seemingly absorbed or dissipated without injury beasts resort to the settlements. to the patient, the good taking its place. Finsen says that smallpox, scarlet fever and other germ diseases can be cured by phototheraphy. Dr. Hopkins has treated lupus vulgaris only, as yet.

DAVID H. MERCER, who is serving hi fourth term in congress, has been nominated for a fifth. Those who know David will not be at all surprised should be again succeed in being elected. Most congressmen are too bookish, giving too much time to their own ambitions, instead of devoting themselves to the gen-Straight populist national convention, eral welfare of the United States, and the particular welfare of their district. But Mr. Mercer is different, and the of March, in excess of expenditures were people of the Second Congressional district appreciate the situation. Dave has evidently adopted Lincoln's famous triad concerning the United States government, and being himself "of the people," he aims in his work as the people's agent, to have it as "by the people," and the result naturally follows that it will be "for the people."

A. CASTETTER, the pioneer banker of Washington county, died at his residence in Blair, April 23. He was born in Ohio, Feb. 13, 1831, one of a family of Washington. eight children. He located in Nebraska in 1857, was county clerk several terms An exceptionally strong state ticket is under the Territorial government, and needed by republicans this year, to Mrs. Castetter acted as his deputy. In place Nebraska in line with the progress | the spring of '69, he went into the banking business at Blair. It is said that the bank stock is all owned by his family. He was very methodical in his business, and all departments of his bank worked like clock work, plainly showing the master mind at the head. only four."-New York Journal. A Row at the Show. The lord mayor's show is an annual theme for the newspapers. Very little can be said about it that has not been said again and again. It costs about £2,000, the banquet from £2,000 to £3,-000. The show has sunk during the

dors from the "property man." Thereby hangs a tale. A certain lord mayor hired from the Surrey theater two suits of armor, brass and steel, with a couple of supers to go inside them. The manager of the Surrey stipulated, by the way, that the steel armor should not be used if the day be a wet or a foggy one. After the show the men in armor were taken to the Guildhall, remaining there several hours without food. No one, it appears, was able to rid

them of their ironmongery. Wine was given them, and the man of brass became intoxicated. The byhe would injure others as well as himself, tried to eject him. But he showed fight, and, to add to their further estinations in a manner that will be the maker of the armor was sent for. He eventually succeeded in freeing the men, who were in danger of being stifled by the weight of their equip-

ment.-Good Words.

A Political Trick. "There is a good deal of pure moon shine." said a local warhorse now out of harness, "in the faculty of remenbering names and faces which is attributed to most successful politicians. In nine cases out of ten they have no abnormal powers of that kind, and their apparent feats of memory are very easily explained. Take, for example, the case of a political personage at a public reception. He is sure to be surrounded by a group of local leaders who know everybody in town. Presently a valuable constituent approaches. 'Colonel,' whispers one of the henchmen, 'here comes Mr. Blank. He's an active party worker and a great admirer of yours. He met you

here last fall.' "The personage catches on promptly. 'What does Blank do?' he whis-'He's a produce merchant,' replies the henchman. By that time the valuable constituent gets in range.

"'How are you, my dear Mr. Blank? exclaims the notable cordially. 'I'm delighted to see you again. And how is the produce business coming on? "Poor Blank has spasms of joy. That the famous man should remember him so accurately makes him as proud as a peacock, and 20 spectators proceed to tell the story in proof of the colonel's miraculous mental gifts. Thus reputa-

tions are made."-New Orleans Times The Bishop's Label.

Bishop Huntington once went down to a town in Connecticut to perform a marriage ceremony. He arrived the day before the wedding, and he left at the same time the bridal pair did, although he was driven to a different railway station. As he passed through the station, carrying his traveling bag, he was aware that he was creating sensation, but was totally at a loss to account for it. In the car he found that he was still the object of amused attention. The porter positively snickered as he passed his seat, and finally fust as the train drew out he came up

and assisted the churchman to remove his overcoat. "What is the matter with you, my man?" asked the bishop. The porter's snicker broadened into a laugh. "Ain't you done lef' the lady, sah?"

he chuckled. "Eh?" exclaimed the bishop in sur orise. Then his eye fell on the side of his traveling bag which the porter had just turned round. There glued to it was a wide strip of white satin ribbon on which was painted in large letters:

"Married this morning." The facetiously minded best man had mistaken the bishop's traveling bag for that of the bridegroom, and chuckling black porter worked late into the night removing that ribbon.-Washington Post.
