

Congressional Ticket. For Congress, Third District JOHN R. HAYS.

Coming Events.

Nebraska state fair, Lincoln, Sept.

This matter is a very important one, the facts.-Wayne Republican.

filed the presence of the revenue stamps complishments in order that all may be as well informed as they are. Dish out

"Well, you have plenty of time to make up your mind." thinks she knows more than you weeks." "About a year and two weeks, you mean, don't you?" said Jack. "Certainly not," Polly retorted, with a slight show of temper. "Now, surely you | But darn botanizing anyway!" are not one of the cranks that try to By the 3d of July they were both lone prove that the new century does not bely and very miserable, and Polly had not gin till the beginning of the year 1901." yet decided on her unique celebration. "Oh. I don't know that I am so particu-She had thought of exasperating Jack larly cranky in thinking so, and, anyway, by buying a lot of set pieces, each puthave the majority of the world with ting the number 20 in some different way, and getting her little brother to set "Well, Matthew Arnold used to say them up in some conspicuous place where

"I have made up my mind," said Polly as she swung in the hammock that Jack kept in motion, "to celebrate the first Fourth of July in the new century by

he is only stupid. Dear me, but I am

Jack's meditations for the two weeks might be condensed into a paragraph about as follows: "There is no getting around it, I wa

he been in danger of falling in love with

Polly, but that he was in love with her,

and he argued himself into the conviction

that if they could only get into the new

century safely they would have a hun-

dred years ahead of them before there

would be any chance of anything arising

so exasperating as this end of the cen-

tury dispute. After he had arrived at

this conclusion an idea came to him that

was remarkably bright, even Polly after-

ward admitted, for such a stupid fellow.

On the forenoon of the Fourth of July

Jack took an American flag in one hand

and a flag of truce in the other and

marched gravely up to the Davis cottage.

Polly smiled in spite of herself and grant-

"Have you decided yet on the unusual

celebration that you were thinking of for

"For the first of the new century," said

"Never mind that," said Jack. "I don't

care when the new century begins. All

I know is that I will not be happy in it

unless you agree to begin it with me.

Why not celebrate this Fourth by get-

ting engaged? And we can celebrate the

next by getting married, and then we'll

Polly was so taken by surprise that

she didn't even say, "This is so sudden!"

Instead she disappeared quickly into the

grape arbor, while Jack followed. When

they emerged again, they had agreed

thoroughly that they didn't care when

any old century began, and two Fourth

of July celebrations had been arranged

that the majority is always wrong, and it most decidedly is in this case." "I don't see how on earth you can say so. The argument is just as clear as a pikestaff." "Well, I'd like to have a look at that

pikestaff. I suppose the argument you refer to is the one about dollars and paying them out one at a time until you have paid 100." The tone in which this was said exasperated Jack by its condescension, and

he answered in the same strain. "Not by any means. The argument use is much simpler and suited to any grade of intelligence

"Indeed," said Polly. mind prattling it out?" "Not in the least. Let us suppose that we have 100 volumes of 365 pages each

and each divided into 12 chapters. The first volume would be volume 1, and so in to volume 100, and if I started to read them I couldn't say that they were all read until I had completed the three hundred and sixty-fifth page of volume 100, and in the same way a century can-

not be complete until the three hundred and sixty-fifth day of its hundredth year has elapsed." "That's no argument at all," said Pol-

iy. "Books and years are entirely different things ' "But each book represents a year."

"No, it doesn't; not any more than that cow out there on the commons does. You surely have studied rhetoric even if

4-2-21-- ----Wirst Fr (D) MEYSE "SO, IT DOESN'T, NOT ANY MORE THAN THAT COW OUT THERE." you haven't studied metaphysics." (Pol-

ly was rather proud of her Wellesley education.) "And you should know that you must never compare a thing that is concrete with a thing that is abstract Time is something abstract, and the measurement of it should be compared with another abstraction."

Majestic monarch of the cloud! Who rear'st aloft thy regal form, To hear the tempest-trumpings loud, And see the lightning lances driven, When strive the warriors of the storm, Jack could not help seeing them from his home. But still that would not be so very much fun after all. Jack, on the other hand, discovered during the two weeks of the quarrel that not only had

And roll the thunder-drum of heaven-Child of the sun! to thee 'tis given To guard the banner of the free, To hover in the sulphur-smoke, To ward away the battle-stroke, And bid its blendings shine afar, Like rainbows on the cloud of war, The harbingers of victory!
