ter Conger dated Pekin July 4 state department officials have had grave doubts as to the authenticity of the tipher message attributed to him. dated Pekin, July 18. There have been many little side lights on this message that afford ground for suspicion, and now the British authorities have added their quota to the growing distrust of things Chinese. It seems that Mr. Warren, at present acting as British consul at Shanghai, has been told by Sheng, the famous Chinese director of posts and telegraphs, that Yuan, the governor of Shan Tung, told him (Sheng) that a message had passed nese capital and successfully encounter through to the United States from Mr. the opposition which it is feared will Conger on the 18th of July telling of be met on the way there. the condition at the British legation. This cipher dispatch was "faked" by Chinese officials NEW ORLEANS, July 27-In the It is pointed out at the state de-

partment, however, that there are ricting last night one negro was plausable explanations of this curious beaten to death, six were so badly fact which tend to show the authenticiwounded that their lives are desnaired ty of the cipher dispatch. Secretary of and about a score of people, white Hay cabled to Mr. Conger that he and black, male and female, have been might have implicit faith in the person more or less seriously wounded. Diswho brought the dispatch to him. Mr. orderly acts following the disturbances Conger, therefore, had a right to trust at night were committed throughout the man, and possibly he told him in the next day and resulted in the sweara general way the contents of the dising in by the mayor of 500 special nepatch in case the messenger should licemen and the ordering out of 1,500 be obliged to detroy it to insure his of the state militia upon orders of own safety. However that may be, the Governor Herd, who responded British government has thought Mr. promptly to the appeal of Mayor Cap-Warren's report worth the attention devfilie. of our government

## UNABLE TO GET A REPLY.

### Acknowledges Inability to Communica With Italian Minister.

HONG KONG, July 28 .- In order to test the Chinese assurances regarding the safety of the legations, the Italian consul here yesterday requested the acting viceroy of Canton to communicate with the Italian minister, Marquis Calvago Raggi, and to obtain a reply from him concerning a matter | livery stable, left it in Johnson county. known only to the minister and the consul.

Today the acting viceroy reported that it was impossible for him to ancede to the request.

### Miss Anthony to Negrors

MONTGOMERY, Ala., July 28.-At the negro race conference today a paper from Susan B. Anthony was read by the secretary. She appealed to the conference to petition congress for a sixteenth amendment which shall prohibit the disfranchisement of citizens on account of sex and declares the condition of negro women was not improved by emancipation. The negro women will organize a national society to send out literature instructing negro women how to improve homes.

ation of order. 37,653,59 volves the further conclusion that Mr. If these objects are accomplished it Conger's cipher message, if genuine, was redated as of the 18th of July, two weeks later than the date of actual writing and, of course, if redated at all, that was done by Chinese officials. On the other hand and in support of the state department position, came today a message from another of the great Chinese viceroys. Tak, at Canton, he who took charge after Li Hung Chang's departure. This also affirmed solemnly the safety of the legationers and coming from so many different 12,610,51 sources and from such important Chinese officials, these dispatches do claim attention. A pessimistic view of them. however, attributes to them all a common origin, namely, some one high Chinese personage at Pekin, it is noted that Tak's assurance brings the ministers one day further towards ultimate rescue than has any preceding message, the fact that it allows only three days to cover the transmission over the great distance between Peau and Canton has attracted attention here and appears to demand explanation if the message is to be accepted as of genuine origin. "It was not known to the state de-
