A splendid audience, a crowded house greeted Indiana's young senator at the

The meeting was called to order by J D. Stires of the republican county contral committee, and the Polk County Glee club composed of four young gentlemen, the Stull brothers and Webster brothers were called upon to render

Senator Beveridge, upon being introhis subject as being a proposition to change managers, when the fact is that the present manager (the republican party) has been successful every time in securing prosperity at home and respect abroad, while its opponent (the democratic party) has brought disaster at home, and shame to Americans abroad.

After the sample managements by Cleveland, by Harrison and by McKinley, it is simply amasing that Bryan. the candidate for hunger, should ask the endorsement of the American people at

Washington to Lincoln, and defied the delirium of partisanship to find fault with the Grand Old Party, which ad-

vances, constructs and builds. Then he answered the questions What have we done? and. What do they propose? by an array of historic facts simply invincible, as to what the republicans have done, both in times of peace and of war. The opposition propose to destroy what the republicans have done. If they don't, there is no issue in this

Plainly stated, the republicans would cy would drag it in the dust.

We do not aim to reproduce any portion of his speech-even his exact words could not do that, as they could not bring again the peculiar manner of the orator. His style of oratory, and it is oratory, is sweeping, convincing, irresistible and fascinating. Everybody was pleased with the speaker, and it was certainly a great gratification to republicans; undoubtedly the best political meeting ever held here, with perhaps one exception, when Butterworth was

James B. Horth.

The republican candidate for state senator of the Twelfth district, is well known to most JOURNAL readers, having heen in business here many years, and always taking a lively interest in public

There is not a question of doubt as to his ability to serve this district in the office of senator from Platte and Colfax and is thus all the more fitted for its

The coming session is more than usually important, outside the selection of two United States senators. The first session after the census, a reapportionment of the various districts of the state will be made, representative, senstorial, congressional, judicial, and the problems to be solved are always per-

Often it has happened that everything was thought to be arranged reasonably satisfactory all around, when, on a sud den, all arrangements were declared of and the tedious, tireless work was all gone over again. Mr. North's information on county

and state matters with which senators have to deal will probably not be excelled by any member of the senate, and his acquaintance throughout the state is such as to be of great benefit to him.

and through him to his constituency.
