HERMANN BELLSTEDT, while conducting the overture, "Fra Diavolo," at the concert tent Saturday in Omaha, was fell unconscious upon the stage. The faintness passed away in ten minutes. the concert in the meantime being conducted by George Schath.

ATTORNEY GENERAL PROUT, represent ing the state of Nebraska, is conducting the suit against the bondsmen of Joseph Bartley, former state treasurer, for \$600,-000 and over. Twice before, the case has been tried, one verdict being for the state, the other for the defendants, and both verdicts set aside by the supreme court on errors of the trial court.

THE European talk of pushing America out of the front rank in the commercial world is not materializing so rapidly as crockers among us have said it would, and the fact that orders for all kinds of work and products are pouring into the offices of the factories of the United States, is sure to outweigh all the croaking on old lines, at least, and likewise to discourage new ones.

THE decision of the United State supreme court in the Porto Rican cases. don't suit Mr. Bryan, and he now sees an Kinley as "Emperor McKinley." He the railroads as to what he shall do?" sheds crocodile tears over the sad condition of the inhabitants of Porto Rico. then the two prime tenets of christianity, comple have the best wishes of their ball, and the newspapers will keep anteed to be as low as in Iowa, at retail. trees alone at \$25,000. We are going manual love to God, and love to man. I friends here.

There are abundant natural resources -always have been. The will to develop these has not always been strong or the best methods clear, but Americans are beginning to recognize the true situation.

STILL we are a nation of farmers. Inomplete census returns show that in 1900 there were 5,700,000 farms under ultivation as compared with 4.564.691 in 1896. This may be deemed a remarkable increase, showing that the growth of our industries is symmetrical, the farmers keeping pace in the march forward. The single discouraging feature of the situation is the increase of tenant farming. extent by the lease of lands by immi-As the area of unoccupied arable lands in the United States becomes less and less it is altogether probable that future censuses of the country will show a comparative decline in the number of farms. The heavy increase in the past ten years is in the nature of a surprise. though the inducements of fine crops and fair prices have doubtless given a spur to land investment since 1896.-Phila

Propur engaged in reform work need o be frequently reminded that their efforts should be mainly directed along inventions of the past century were pos- positive rather than negative lines. The sible through a more extended study of best and most substantial way of overcoming evil is by supplanting it with good. The best way to keep a field clean from weeds is to sow it thick with some useful crop. There is less labor to say nothing of profit involved in this plan than simply to aim at keeping the weeds THE hardware store of W. L. Morris at from growing. The best way to keep Central City was broken into Saturday boys and girls out of mischief and from night and \$100 worth of revolvers and forming evil habits is to keep them well employed in something useful. More earnest effort should be made to open the doors to right living than to close by force the doors that open to evil. Cedar Rapids Outlook.

Five men were killed and seven in jured in a railroad wreck Saturday night at Vestal, N. Y., near Binghampton. It was not until late Sunday afternoon that the last dismembered body was found a quarter of a mile from where the explosion occurred. The forward train which was taking water at the time and carried the car of dynamite, was struck and both were reduced to scraps. Nearly every house in the villages of Vestal and Union, which is across the Susquehanna from the wreck, lost more or less of its window glass, while farm ers' houses and barns near the scene were badly shattered. None of the in-

mates, however, were injured. WILL BE THE UNION PACIFIC.

The fast trains of the Union Pacific reach San Francisco thirteen hours ahead of all comnetitors. If you are in no hurry take a slow train by one of the detour routes, but if you want to get

there without delay take the his-toric and only direct route, the Union Pacific.

\$45.00 from Missouri River, with correspondingly low rates from interior points on the Union Pacific. PAMPHLETS:

How to Get There and full information cheerfully furnished upon application.
