COLUMBUS, NEBR.

Snake River, Valley, Idaho.

Reached via THE UNION PACIFIC, "The Overland Route."

A fertile country where wheat, oats, barley, fruit and live stock are raised in abundance.

There are two and one-quarter millions of agricultural lands in the valley, and nine-tenths are under canal irrigation system, while only one-twelfth is under actual farming cultivation. To incoming farmers and stockmen the Upper Snake River Valley, therefore, offers an offer now here else to be met with—practically limitless lands already under an exhaustless irrigation system.
