Brink has been promoted by the Nebraska Telephone Co., and hereafter his work will require him to be on the road most of the time, establishing new switches, starting new offices, etc. His headquarters will probably be in Omaha, and this city may lose both him and his family. A Mr. Holliday takes his place here.

—Mr. Peter Luchinger and Miss Anna L. Jones will be married today and leave immediately after for a trip to Omaha and other places. Mr. Luchinger, who is the efficient cashier of the First National bank, has purchased the W. W. Rice property east of town where the worthy couple will move as soon as they return home.

—At the call from Mayor Dickinson a large number of citizens met in the ornamental chamber Monday evening to discuss the celebration of the Fourth of July. A committee composed of the following named gentlemen was appointed to make all arrangements: Mayor Dickinson, Edgar Howard, G. W. Phillips, F. T. Walker and Carl Kramer.

—The relatives and friends of the late M. E. Turner feel grateful to the press throughout the state for the many kind words spoken regarding the deceased, and especially to the editors of the county papers, who, knowing him as an opponent in the same profession, have so beautifully paid tribute to the personal character of Mr. Turner.

—The following item from the St. Edward Advance is similar to what we see in many of the nearby papers. The Columbus hospital has more than a local reputation: "Madness F. H. Wait, N. G. Griffin and John Wallis, and Miss Eunice Wait and the son of J. O. Wolff returned from St. Mary's hospital at Columbus Tuesday, all much improved."

—The Cecilia club finished up their year's work by enjoying a picnic in Stevens' grove Monday afternoon and evening. The jury was discharged Thursday and court adjourned Wednesday to meet again June 15.

—Columbus will entertain some four hundred visitors this week, from all parts of the state, representing the druggist's profession. It will be to our interest to show them all the courtesies possible so that they carry home with them fond recollections of their visit to our thriving little city.

—William Kyle, one of the employees at the U. P. coal chute, fell thirty feet from the chute to the ground, Wednesday afternoon, lighting on his face and breaking the bones of his nose. The driver of a car he was trying to open fell with him and spectators say it was almost a miracle that he escaped instant death.

—Miss Winnie Young closed a nine month term of school in district No. 13 Friday and has gone to her home at Columbus to spend the vacation. Those who have attended school regularly here made rapid advancement under her instruction and the patrons in general are highly pleased with her work in the school.—Genoa Leader.

—L. A. Ewing and F. T. Walker will start a new republican weekly, a six column quarto, to be called the Editor, the first issue probably making its appearance the latter part of this month. The plant will be located in the building on Olive street recently vacated by W. T. Rickett. There is always room, it seems, for one more newspaper in Columbus.

—Citizens of West Point are already making extensive preparations for the Slaughter Fest to be held in that city August 9, 9 and 10. The big Ballad contest of Omaha has been secured. It holds five thousand people; Gov. Savage has promised to be there; the 23d U. S. Infantry band has been engaged, besides other musical talent from near and far. The committee promises a great time.

—The shirt waist has triumphed in the Omaha High school, says the Bee, and hereafter boys as well as girls in that institution may wear the calico and lava stripes. Officers elected for the coming year are: A. D. Becker president; Miss Esther Johnson vice president; Miss Pauline Bucher secretary and August Wagner treasurer. The halls were neatly arranged with palms and rugs, and in the lower hall refreshments were served, and Miss Lottie Hochberger presided at the punch bowl on the landing. About 100 graduates were present.

—Prof. W. E. Weaver, who has been a faithful teacher in our public schools for seven years past, will not return here next fall, having accepted the superintendency of the Morrison, Illinois, public schools, which is his home town, with a population of about 3,000. The election of Mr. Weaver was a surprise to him, and unlooked for. He will receive a salary of \$1,100. Mr. Weaver has taught in our schools ever since he finished his college course, seven years ago, part of the time as principal of the Third ward and the past few years as science teacher in the High school. There has probably never been a teacher in our schools who is known and loved by so many children as Prof. Weaver. Every child could approach him and was as free to consult him as they would their own teacher. Columbus will lose one of their best instructors and citizens generally will regret that a useful man leaves the community, but will wish him well in his new location.

—The following dispatch was sent to the daily press from David City under date of May 28: "At the instance of some of the neighbors of R. Koenig, the farmer who was found dead near his home north of Ballowood a couple of weeks ago, Coroner Sample has caused the remains to be exhumed and a post mortem examination has been held. As there has been considerable trouble with certain persons the neighbors were not satisfied to have the matter pass without a thorough investigation as to the cause of death. At the time the body of Koenig was found, a bottle of strychnine was found in his pocket and so there was no chance of violence on the body except a slight abrasion of the scalp, on the side of the head, it was decided by the coroner's jury that he had committed suicide by taking a dose of the poison. Now the stomach will be analyzed, and should the theory of the coroner's jury prove correct the matter will end, otherwise there will be further investigation."

—Developments with your return card printed on them, for 25 cents a single hundred, for larger quantities, and different grades, call at The Journal office for prices.

Death of John Plumb.

Died, at his farm residence six miles east of this city, Sunday afternoon at 3:45 o'clock of diphtheria, John Plumb, in the 96th year of his age.

Mr. Plumb was born near Wiabech, Cambridgeport, England, in January, 1826. At the age of 18, he enlisted as a soldier in the English army and served his country well for five years during the Crimean war. At the siege of Sebastopol, while lying in the trenches, a shell burst near him, the concussion of which affected his hearing and caused deafness ever after.

After his service in the army he was employed as a policeman in London and Wiabech. In 1859 he was united in marriage to Mary Jane Wainwright, who were born five children—John T. S. Akes, Henry W. Mary A. Dunlap and Alice—all living. Henry W. and Mrs. Dunlap being residents of Franklin county, this state.

In 1868 Mr. Plumb came with his family to America, first settling in Illinois and later in 1874 removed to Nebraska, locating near Lindsay, and a few years ago purchased a farm six miles east of this place where he has since resided.

Mr. Plumb was a man of noble impulse, honored and respected by all with whom he came in contact. The funeral took place this Tuesday afternoon from the residence, Rev. Luce conducting the services, burial in the Columbus cemetery beside the remains of his wife who departed this life several years ago.

The family have the heartfelt sympathy of many friends and neighbors in their sad affliction. A kind and indulgent parent has gone to receive his reward. Peace to his memory.

Resolved, fourth, That we order a copy of these resolutions to be printed in our city papers, a copy to be sent to the family of the deceased and a copy spread upon our records.
