We have made the most careful preparations to be able to offer the very best goods for the lowest prices. We buy for cash and give our customers the benefit.

Another Advantage we have over those dealers that sell "everything" (all kinds of merchandise and no assortment of "anything") we buy in big quantities and it stands to reason at a lower price than being bought in small lots.

It would please us to show what we can do for you. For instance, with a Ten Dellar Bill of yours. Bring your boy along and let us dress him from head to foot for little money. Would you buy the best Shoe in town for the least money? Shoe repairing neatly and promptly done. Well, get our prices and be convinced.
