She is required to make this pilgrimage twice a year in order to maintain a residence on her claim. The patrons of our electric light plant have been notified that at the end of this month the plant will be closed down. Mr. Cury says that with the present number of lights it does not pay him to run, and while the system could be extended to a considerable extent it would take a further expenditure of money for a larger dynamo, larger wires and more poles, and he is not at this time disposed to do so. It behooves you to get out your lamps and make ready.

—Mrs. G. W. Small went to Council Bluffs to attend the funeral of Mr. and Mrs. Church who were her particular friends. Norman, Edna Maher.  
—The public library board have found it necessary to extend their quarters and have fitted up an adjoining apartment for a reading room. The increasing demand for books compelled the board to keep the rooms open three days instead of two, and now they find it necessary to extend their accommodations, as at times the room has been almost crowded with people waiting their turn for books.

—The three city policemen, Schaak, McTaggart and Nelson were the cause of much merriment Thursday evening. All three protectors of the city's peace were leaning heavily against the iron railing at the Union Pacific park, when suddenly the rail gave way landing the three dignitaries safely on the green grass. A howl of amusement from the large crowd of bystanders was convincing that they appreciated the fun.  
—About 12:30 p. m. today (Tuesday) the firemen were called to the Bismarck printing office on Twelfth street where smoke was seen issuing from the front door. The wood work around the chimney had caught fire from a defective fan. In order to get at the fire, considerable of the wall was torn away, but aside from that there was practically no damage. L. Gerrard, owner of the building, and Editor Johannes both carry insurance.

—The following telegraphic news comes from London, England, in regard to a Central City young lady. Miss Ormsby has a number of acquaintances in Columbus and has appeared here in concert: "Miss Lou Ormsby, of Nebraska, made a successful debut Saturday afternoon at the Camden theater as Marguerite in 'Faust,' despite the fact that she had no rehearsal, and never before sang with the orchestra in the grand opera. Her pathos and emotional power earned much praise."  
—Company K held a meeting last Thursday evening for the purpose of electing company officers. The boys were expressing an exciting time but things passed off smoothly, the following officers being elected: Captain, Lee Rollin; first lieutenant, Otto Hagel; second lieutenant, Harland Dussell; first sergeant, John H. Brock; drill sergeant, Keith and Braun; corporals, Chatfield, Wilson and Beccort. The newly elected officers have all had experience in the militia company and will no doubt bring it up to its greatest efficiency.  
—Johannes Johnson died at his home thirteen miles north of the city Monday evening at about 5 o'clock. He suffered a stroke of paralysis Thursday which caused his death. Mr. Johnson was born in Hanover, Germany, March 9, 1829. He came to Nebraska direct from Germany about nineteen years ago and has resided on the same farm ever since. He leaves a wife, two sons, John and Mathew, and two daughters, Mrs. Adolf Henke and Mrs. Richard Rosenthal, all residing in this neighborhood. The funeral will be held Wednesday at 12 o'clock from the Laska church.

—At the Presbytery of Omaha which was attended last week by Elder James Taylor and Rev. Walter N. Halsey, a committee was appointed to come to Columbus May 8th and to install Rev. Mr. Halsey as the permanent pastor of the church here. Rev. Knox Bonds of Omaha, who is Moderator of the Presbytery of Omaha, will preside, propose the constitutional questions, and offer the installing prayer. Rev. Alexander G. Wilson, D. D., of the Omaha Theological Seminary will preach the sermon. Rev. William E. McKee of Rock Island, Ill., will deliver the charge to the new pastor and Rev. Clarence W. Weyer will deliver the charge to the congregation. This will be a time of great rejoicing among our Presbyterian citizens and their friends. The public will be admitted to witness these impressive ceremonies.  
—A home talent play always has a fascination for the public and nearly always attracts large crowds. Next Monday evening at North opera house "Ourselves" will be presented by home talent under the direction of Mr. Tomson who is a professional in drilling for amateur performances. Mr. Tomson has been several weeks rehearsing with the young people, and considers the entertainment to be very creditable. Besides Mr. Tomson the following persons will take parts: Otto Hagel, Will F. Hall, Fred Stratton, Miss Olga Hagel, Florence Kramer and Metta Hensley. The same company will play in Schuyler this (Wednesday) evening and in David City the 6th of May. The Columbus High School orchestra will accompany them to both towns and Miss Ethel Galley will give musical selections between acts in Schuyler.  
—The Federation of Catholic societies of the county, including the Foresters, Fibermans and Catholic Knights met at St. Anthony Sunday, when about 250 members of these orders were present. A special train was run from Columbus, carrying about 100 gentlemen and their ladies, leaving here at 8 a. m. and returning in the evening. The visitors were met by a band and escorted to the Foresters hall where refreshments were served. The business meetings were held in the Woodmen's hall. The officers of the Federation are president, H. W. Abts; first vice president, Cornelius Heesacker; second vice president, J. P. Belford; secretary, Theo. Moersen; treasurer, M. C. Calko. Mr. Heesacker is from Humphrey and the other officers are Columbus gentlemen. The Federation meets quarterly and the next session will be held in this city, the third Sunday in July.  
—Two cases were filed in the district court during the past week: John H. Gogan as plaintiff vs. Catherine Gogan et al., as defendants, petitions for a partition of the estate of Thomas Gogan, deceased. The State of Nebraska on the relation of Samuel T. Fleming vs. Theo. Wolf, the plaintiff alleges that he was duly elected treasurer of Creston township and that the defendant was his opponent for election. The defendant filed a petition with the county judge to contest the election but the petition was overruled because the time allotted by law for that purpose had expired previous to the filing of the petition. At the time when the new official took his place, the defendant took possession by force of the office, books, papers and money, which were in charge of the treasurer, declaring himself the lawful officer and refused to vacate. The county attorney refused to make and file a complaint against defendant for unlawfully holding and retaining said office.  
—The Union Pacific will build a new freight depot and general terminals at Grand Island. Plans for the work are now being completed and will be placed into execution as soon as possible. The freight terminals are now located in the heart of the city, where the passenger depot stands. A veritable network of tracks, intersected by several of the most important and busiest streets, establishes a dangerous situation and the railroad, as well as the people of Grand Island, is anxious to change things. The idea is to build the new freight houses and establish the yards on the east side of the city. All the tracks for freight purposes will be removed from their present location, but the entrance to the city will not be changed. The situation of tracks and depots in Grand Island is very similar to the Columbus property belonging to the Union Pacific, and should the freight depot be placed where the company want it but a few years would elapse before a change would have to be made.  
—Monday's Lincoln Star makes a statement which, if true, will mean a great change in the railroad situation in Columbus. It is known here that officials of the Union Pacific and E. & M. have been in the city, but neither of the agents at this point, W. H. Braham or J. T. Cox have not been informed regarding the change. We note the following from the Star: "Several special trains filled with Burlington officials have sped through Lincoln lately and the object of the visits has aroused much speculation. Now comes the information from David City that the Burlington will control the Union Pacific branch from David City to Stromsburg and the Union Pacific will own the David City-Columbus line of the Burlington. The deal has been almost arranged, declared two Burlington officials, and it is practically certain that the change will be made. The Union Pacific will get through service from Lincoln to the west with connections at Columbus. The Burlington will have connections between Lincoln, McCool, Stromsburg, Fairfield and Alma. Nothing definite has been decided concerning the train service, it is said."
