—Mrs. Thomas Drapala of Schuyler was struck by the eastbound Overland Limited at 7 o'clock Friday evening and instantly killed. She stood in the center of the track watching a freight train and evidently did not hear the warning whistle. This is the fourth train victim that has met death at the same place in Schuyler owing to the train passing through the town so rapidly.

—Mrs. E. A. Gernard, Miss Fannie Weeks and Mrs. E. B. Sutton were among those attending the Baptist association in Columbus last week. Miss Ethel Hollingshead, daughter of A. N. Hollingshead of Genoa, Texas, is visiting relatives in Monroe. She will attend school in Columbus the coming year.

—Mrs. F. K. Strother and the Misses Enlish and Baby Rieky were in Monroe Wednesday.—Monroe Republican.

—About 8:30 Monday evening a freight train from the west arrived in the city with a car load of lumber which had taken fire, probably from sparks from the engine. The car was hauled under the engine watering hydrant on the Union Pacific track and the fire alarm given. It was not long before the city firemen had the flames extinguished. This made a very appropriate closing event for firemen's day, although it was not on the printed program.

—The following from the Norfolk News will be of interest to Columbus friends of the young man mentioned below: "P. E. McCoy, who taught in the high school last year, and was expected to do so this year, last evening tendered his resignation to accept a position in the Hastings schools for \$800 a year. School opens next Tuesday and not much time is given to fill his place, but Superintendent O'Connor went to Lincoln this afternoon and will attempt to do so."

—Misses Alfreda and Martha Post entertained about fifty guests at their home last Thursday evening. In the evening of Henry Emma Neumann and Carl Johnson received guests. In another feature of the entertainment each gentleman was given a sheet of music, containing some popular air, numbered to correspond to numbers given the ladies. The amusement came when the gentlemen were requested to sing the song while the ladies accompanied them on the piano. After refreshments were served at a late hour, the guests departed having spent a most enjoyable evening.

—John Bernhard Loeke died at the home of his son-in-law, Fred Schult, twelve miles northeast of the city, last Friday morning. The deceased was born in Oldenburg, Germany, January 10, 1825, was married in Germany and came to Columbus in October, 1869, moving to his farm northeast of the city. His wife preceded him to the spirit world about eight years. He had lived with his son-in-law for the past year. Two sons and three daughters are left to mourn the loss of a loving father. The funeral services took place at the Gravenhorst church Sunday with interment in the cemetery at that place.

—Mr. and Mrs. Otto Pohl and Mr. and Mrs. Dan V. Stephens of Fremont were visitors in the city last Wednesday. The ladies came upon the train and the gentlemen followed in their automobiles and all returned in the afternoon in their vehicles. The gentlemen were a little over three hours in making the trip from Fremont and found a few bad places to interfere with travel. Otto Pohl shook hands with his many former friends here. —About 8 o'clock Thursday morning the carpenter shop of C. J. Scott, which is the second building north of Pollock's drug store, on North street was discovered to be on fire, and before the firemen could reach the place the building was almost destroyed. Considerable finishing lumber was burned together with the books, and also the tool chests of C. J. Scott, Walter Scott, John Brock, Sam Brown, Clarence Clark and Oscar Stoll. It is not known how the fire originated but it is supposed it was set by a lighted cigar or match thrown carelessly in the front of the shop. Mr. Scott had left the place about twenty minutes before the fire was discovered. An insurance of \$200 was carried on the building.

—The marriage of Joseph Schumacher of Platte Center and Miss Mary Hengeler, daughter of Mr. and Mrs. Joseph Hengeler, took place this Tuesday morning at 9 o'clock in the Catholic church, Rev. —Mrs. Homer Robinson and Mrs. Wm. Benham entertained Thursday afternoon to a 5 o'clock tea in honor of Mrs. West of Chicago, mother of Mrs. Robinson, and Mrs. Robinson of Omaha, aunt of Mr. Robinson. The party was given at the Robinson home. One of the games was the guessing of the number of beans in a glass jar. Mrs. C. D. Evans received the prize for this, guessing the nearest to the number, 1,250. There were 1,500 in the vessel. Four detectives had been appointed for the afternoon to discover the persons who would not make any reference to the weather. Four ladies escaped the notice of the watchful officers and in the "tie" Mrs. Hart received the prize in this contest. Elegant refreshments were served to the thirty-six guests present.

—The city council met last Friday evening in regular session. A petition was presented to have a pool of stagnant water removed from Quincy street north of Eleventh. The matter was referred to the committee on streets and grades. Frank A. Hagel recently appointed chief of police, presented his bond for \$1,000 which was approved. James Nelson, acting chief of police, filed his report of notices served to property owners to have weeds removed from certain lots in the city. The committee on streets and grades reported on the proposition to have a drain made from the Elise property south to the river, along the meridian line. They stated that a survey had been made and the plan found practicable. The Union Pacific R. Co. has agreed to do the share of the work and Commissioner Hagel will turn \$1,500 over to the city council for that purpose. The report was adopted. The monthly reports of city officers were presented and referred to the proper committees. Regular monthly bills were allowed and adjournment made to September 18.

—After the fire Monday evening the firemen met in their hall to give an informal reception to J. C. Cleland and Al. Marks. Louis Schwarz, an old fire chief of this city, was called upon for a speech and responded in a few words thanking the visiting gentlemen for their aid in making the program of the day a success. Mr. Cleland was then requested to address the boys and did so by giving some of his pioneer experiences with volunteer fire companies. For the last twenty-five years Mr. Cleland has been actively connected with the fire department and tells some very interesting stories of occurrences during that period. Al. Marks, the champion hose coupler of the state, then spoke to the firemen, thanking them for the reception which he had received. Both visiting gentlemen complimented the department on the manner in which they managed the fire in the car earlier in the evening.

He left Friday for Wayne to visit relatives, and from there will go to Chicago to continue his studies.

—M. Jenny, of the firm of Jenny Bros. of Nebraska, was a caller at this office last Tuesday. Outside of the merchants of Columbus and in the Nebraska neighborhood few people in the country know the extent of business that is carried on by this enterprising firm, who reside about eighteen miles northeast of Columbus. The Jenny Bros. have for twenty years been manufacturing brick, cheese and have established a market that consumes all that they can turn out, most of which is sold in Omaha. An average of 1,000 pounds of cheese a week is made by them and there is a constant demand for their product. The brick cheese is made in cakes about the size of an ordinary building brick, which takes but a few weeks of drying to prepare it for the market. It is of a mild, rich flavor, and those who partake of it once are sure to buy it again and again. The Jenny Bros. own about 600 acres of land in Sherman township, most of which they preserve for pasture and hay land. They are now milking seventy-four cows, and this is the dull part of the season for their work.
