court, separate trials being given the Mr. and Mm. Poter Korth of this place were down, helping them celebrate.

Many other relatives were present and -W. B. Dale returned Monday from an enjoyable time was had.

-Frank Fugard arrived here Saturday proved and with every indication of her a two weeks' visit with friends. He has being in excellent health within a few a young con who makes his home with

> butter maker in the capital city, and has Harry Graves, a Columbus boy.

-The tools for the manual training department of the High school arrived last week and work in that line com

menced Monday under the efficient in struction of Prof. Richardson. The boys are well pleased with the equipment and will undoubtedly enjoy the time spent in working with the tools. The training will consist of exercises in corporter bench work and mechanical drawing.

-D. Thomas of the Postville neigh borhood was in town Friday. Mr Thomas says that he believes we have more corn this year than last and that much of the late corn, although greatly injured by the frost, will produce a fairly good crop. He was in the district visited by one of the bad hai storms early in the summer, but his fields were not greatly damaged by it.

-H. W. McClure of Sioux City, Iowa was in Columbus a few hours Monday on his way to Sherman county where he has land interests. Mr. McClure was a pioneer in the northwest part of the

state and there formed the acquaintance of Major Frank North, deceased, who at that time was an Indian scout in western Nebraska. During the session of 1981. he represented the section of country now known as Holt county, in the state legislature.

-Jacob Glur is constructing comen romings between the Thurston hotel and Pollock's and from there south to Grave' corner, and from Grave' to the Commercial bank. The first two cross ings have been laid, and the last one will be finished later. All will be aix feet wide instead of the regular four-foot

walk which the other crossings have The owners of the adjoining properties have ordered the additional two fast at their own appearse.

-Will Kersenbrock frightened three chicken thieves from his place Thursday night. He had suspicious that a raid would be made on his fowls, and was in White's Electric Combs, patented Jan. being wrapped in shawls, and two others tered upon the way bill as 'one man

-The High school foot ball team is working hard that it may be in the very best condition for the game with the Lincoln High school boys next Saturday. The Lincoln team has held the state championship among the high schools from Washington, D. C., and will make for several years and has an extra strong team this year.' The schedule for the season as made out at this time is: Frank Hagel and he comes to visit him | Columbus against Lincoln, October 3, at and will be the guest of Mr. Hagel while Columbus: Grand Island, October 17, here. Mr. Fugard is employed as a at Grand Island; Kearney, November 14, at Columbus: Grand Island, November among others in the same department, 21, at Columbus. The management has games with Omaha and the Peru Normal but no dates have been made yet.

-Nancy, wife of J. C. Evans of Kearey, died at St. Mary's hospital Saturday night after a three weeks' illness from kidney trouble. Mrs. Evans leaves besides her husband four sons and two daughters, all of whom are here to attend the funeral. One son arrived today from Baltimore and the others of the family come from Keerney. Mrs. Evans was sixty-three years of age. Funeral services were held this Tuesday afternoon at 3 o'clock at the home of Dr. C. D. Evans who is a brother of Mr. J. C. Evans.

made in the Columbus cometery. -Hon. George D. Meiklejohn, of Ful lerton, was in town Saturday on his way to Sidney, near where, he with a party of capitalists has purchased a large tract of land from the Union Pacific Co. This syndicate proposes to bring 500 families of Danes to settle on these ands and engage extensively in dairying, the cream to be sent to Omaha and Denver. The Danish Emigration society of Minnesota will furnish these migrants with ten cows each to start and enough money to erect houses, pur. Jenkinson, and with other relatives in chase farming implements and necessaries of life for one year, the money to be when with her mother she moved to paid back in small instalments at very Canada. Returning to Columbus six ow rate of interest.
