Captain James L. Dempsey, Captain 2nd President Terry Police Force, writes from 116 Ferry St., Troy, N. Y., as follows: "From my personal experience with Peruna I am satisfied it is a very fine remedy for catarrh of the bladder, whether of the acute, chronic, or passive nature. It cures with safety, and a few doses of this medicine produce permanent relief. One of the patients under me has also found great relief from Peruna. It has cured chronic cases of kidney and bladder troubles, reduced the suffering from indigestion and constipation, and I am fully persuaded that it is an honest, reliable medicine. I have fully endorsed it and will continue to do so." JAMES L. DEMPSEY.

The kidneys are soon doing their work with perfect regularity.

Thousands of testimonials from people who have had kidney disease which had gone beyond the control of the physician are received by Dr. Hartman every year, giving Peruna the whole praise for marvelous cures.
