The story of the convention that stified the nomination of Theodor Roosevelt . has been written by a thousand pens; it has been eloquently proclaimed at a thousand ratification meetings. But no writer or speaker When you my that the American people who believe in a strict and learless enforcement of the law and love a man who is the personification

traveling the First National Bank will ten thousand people, including the program. Should this meeting foremost statesmen of the world. colled themselves hoarse for nearly thirty minutes in ratification of that

comination, you have said the most that can be said in cold words about the republican national convention so It will be necessary to amputat far as the presidential nomination is

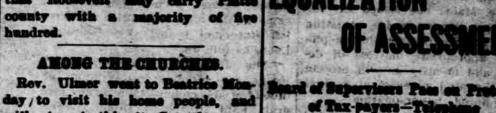

Those at the convention with sensi bilities so calloused as to be touched only by the excitement of a bull-fight or a football game, were disappointed. But all of those whose hearts could be touched by patriotic atiment and devotion to a great

leader, were thrilled with enthusiasm. In discussing the convention there is little need of mentioning any name but that of Roosevelt. Roosevelt was weakness and trial, the reality of
